2 Pinned Between Autos in 5-Car Mishap

Motorcycle Accidents, Multiple-Car Crashes, Cause Injury to 17

Two youths were injured when pinned between parked cars in an accident at Madison last night, three persons were injured in separate motorcycle mishaps and a series of multiple-car and injury crashes occurred in the area since Monday with a total of 17 injury victims. A total of 19 accidents were reported.

Two of those injured in last night's accident at Madison suffered leg injuries while they were standing between parked cars that were forced against when an auto struck the front of another parked car on Washington avenue between Third and Fourth streets at 9 p.m.

Madison police reported that four cars were parked along Washington avenue, when an auto driven by Archie Riggs, 28, of Edwardsville, struck the first parked auto with such force that all four parked cars were knocked together.

Standing Between Cars Eugene Pincus, 17, of Savage, Minn., who has been visiting in Venice with a friend, and Donald Coggins, 21, of 200 Kerr street, were standing between the parked autos. They were taken to St. Elizabeth Hospital where Pincus was admitted with severe cuts to his knees and legs. Coggins was treated for contusions and abrasions to the left leg and was released.

Riggs also was taken to the hospital and released after treatment of a nose injury. Madison police charged Riggs with reckless driving and driving while under the influence of liquor.

Police said two of the parked cars were owned by Turner Coggins, 312 Broadway, Venice. The others were owned by John Huckle, 855 Alvan avenue, Madison, and James Riskavsky, 1617 Sixth street, Madison.

Motorcyclist Injured Mike Range, 19, of 2105 Terminal avenue, suffered abrasions to the left leg and arm when he was pinned between cars at 7:30 p.m. Monday when the motorcycle he was riding and an auto collided at Faith and Warren avenues. Range was treated at St. Elizabeth Hospital and released.

Kenneth Grindstaff, 40, of Glen Carbon, was treated for multiple abrasions to his hands and arms at St. Elizabeth Hospital following a motorcycle accident at the intersection of Alternate 67 and Route 3 Tuesday when his cycle went out of control.

He was transferred to Scott Air Force Base Hospital and was released.

GSI Promotes Ditchfield To Vice-President of Mfg. Bridge

Thomas Ditchfield Has Been Appointed Vice-President, Manufacturing, at the Castings Division, General Steel Industries, Inc., Effective July 1, Delany J. Davis, Division President, Announced Today

Ditchfield, formerly works manager of the division, has been associated with GSI since 1954 when he joined the corporation at Edgemoor, Pa.

He served there successively in various supervisory capacities prior to his transfer to Granite City in 1963 when the Edgemoor plant was closed and foundry operations consolidated here. Ditchfield resides in Florissant, Mo.

New Works Manager William A. Rennie has been appointed works manager of the Castings Division succeeding Ditchfield. Formerly assistant works manager, Rennie also joined GSI in Edgemoor, Pa., serving there from 1959 until transferring to Granite City in 1963.

Madison Bridge Land May Be Dump

County Ok's Permit For New Landfill Over Area Objections

A new landfill operation on 50 acres of ground owned by the city of Madison on old by-pass 86 in Chouteau township has been authorized by county officials although lease agreements between the operators and Madison officials have not yet been consummated.

The permit has been issued to two individuals as operators—Leo Abel of Madison, former operator for a year and a half of the controversial Chouteau Island Corp. landfill, and William Miller, former operator of Miller's Scrap Metal Co. in Venice approved Tuesday evening during the Madison city council meeting.

The men propose to operate the new dumping area on land which is part of the old chain of Rocks Bridge property owned by the city of Madison, under a lease agreement with the city. Terms of the lease, which include free dumping privileges for Madison, have been discussed but a lease agreement has not yet been signed, it was learned.

Had Contaminated Approval The permit was issued by Jack Clifford, Madison county zoning administrator, after application for the permit was approved by an agent of the Illinois Department of Public Health who inspected the area, and by the Madison city council.

The Madison city council approved the permit Tuesday evening during the Madison city council meeting. The Madison city council approved the permit Tuesday evening during the Madison city council meeting.

Old Crock, Lawn Statue Stolen

An Old Stone Crock That Had Been in the Family for Six Generations Was Stolen From Its Home at 2124 Benton street, Wayne Painter Reported to Police Wednesday Evening. He Said It Was a Five-Gallon Crock.

Abraham Tatossian, 2878 Idaho avenue, reported to police Wednesday that decorative statue had been stolen from the front lawn at his home.

The statue, belonging to Jay C. Bumpers, 2101 Lindell Blvd., was looted this week while docked at the Piasa Boat Harbor. It was reported to Jersey county authorities. A sliding door was pried open to get inside the cabin and the statue was stolen.

A tractor and radio worth \$64 was stolen Monday night or early Tuesday morning from the Mitchell-Equipment Co., 1017 East Chain of Rocks road, according to a report to the sheriff's office at Edwardsville. Burglars entered the building by breaking a window out of a door and apparently left the same way.

Police Capture 3 Men; Avert Large Drug Theft in GC

Trio is Charged with Burglary After Hub Drug Safe is Looted

Alertness of two Granite City police officers who heard a "pounding noise" as they cruised along 18th street led to the capture of three men shortly after midnight Tuesday and averted the theft of \$373 in cash and a large quantity of "dangerous drugs" from the Hub Drug Store, 1329 Nineteenth street.

Police who surrounded the store arrested Billy Joe Castille, 24, of 2118 Missouri avenue, and Carl D. Smith, 24, of 2313 East 23rd street, on the roof of a dress shop adjoining the Hub drug store building.

The trio was held in the city jail today on charges of burglary. Police said they recovered a brown leather zipper bag containing a large quantity of drugs, including tuinal capsules, benzadrin, demerol and benadryl. The bag, found by a rear door of the drug store, also contained \$223 in current coins.

\$150 in Coins Also recovered by police was a metal box containing \$150 in loose coins. The box was captured after Officers Roscoe Martin and Glen Wright heard a noise as they passed the drug store and stopped to investigate. The officers saw a man through the window and put out a radio call for help. Police cars were dispatched to the scene, including one car of Madison police.

Officer Richard Woods, who was at 21st and State street when the call was issued reported he went to the front door of the drug store and found the safe open.

He walked away from the store and heard the sound of someone running in the alley toward 18th street. He intercepted the fleeing man and arrested Castille.

He placed Castille in the custody of another officer and joined other police who, meanwhile, had located two men on the roof of the building adjoining the drug store. They were ordered to descend and did so. They later were identified as Hayes and Smith.

Chief of Detectives George Teller said the drug store had been entered by climbing to the roof of the one-story Rite Store of Fashions, 1316 Nineteenth street, from where they removed the bars of a window on the second floor of the drug store. Entering through the window the burglars cut a hole through the floor which required peeling back a strip of metal ceiling on the main floor.

In the main floor of the drug store the intruders used a sledge hammer to knock the handle off a large safe from which they removed the money that was found in the leather bag.

Officers Martin and Wright reported the noise they heard apparently resulted from an attempt by the burglars to open the door to the safe. The escape by that route rather than climb back through the opening.

Kim Whelan, 12, Dies of Leukemia

Kim Elizabeth Whelan, 12-year-old daughter of Mr. and Mrs. Robert Whelan, 2170 Harrison avenue, died of leukemia at 6 p.m. yesterday at Children's Hospital, St. Louis. She had been ill four years and entered the hospital three weeks ago.

A pupil at Coolidge junior high school, the youngster previously had attended seventh grade classes at St. Margaret Mary parochial school and earlier grades at Maryville school. Her father teaches English and social studies at Coolidge junior high.

She was born in Carbondale, Ill., and had lived in the local community since 1956. She was 7 years old.

Fourth of July Festivities Start Saturday

Diversified entertainment designed to appeal to everyone is planned for the Fourth of July holiday weekend in the Quad-Cities. Dual celebrations will take place at Wilson Park in Granite City and on Madison's Third street picnic grounds. The latter event will be sponsored by Madison Amvets Post 204.

The traditional observances will get under way at 1 p.m. Saturday, with music provided by both festivals concluding their activities with lavish fireworks displays at sites about 9 p.m. Tuesday.

Special features at the Wilson Park fete include nine carnival rides, spotlighted by two red-and-white striped tents, stargazers, with rides priced at 15 cents each between 7 and 9 p.m. Sunday and Monday; the park district's 19th annual fast-pitch softball tournament; and a teenage dance from 8 to 11 p.m. Saturday, with music provided by the Rising Stars.

Carnival rides at the Madison fete will be operated on the Third street grounds throughout the four days. Children's make-up and balloon artists are scheduled for the first three afternoons.

Schools Launch Remodeling To Meet 'Life Safety Code'

A major start on Illinois Life Safety Code renovations of Granite City schools, totaling up to \$229,950 in the 1967-68 year, was authorized by the school board Monday night.

Detailed proposals to comply with state requirements were signed and forwarded.

The reports were due in the county school superintendent's office by this Saturday, and all "urgent" and "necessary" projects must be completed by July 1, 1970.

Revised surveys and cost estimates list a total of \$374,510, including \$238,450 urgent, \$208,175 necessary and \$130,885 desirable.

Fire Detection Devices

In deciding what to do first, the board gave priority to fire alarm systems and fire detector devices.

Advocating this approach, Heubner said, "Probably the biggest hazards we have would be around our heating plants, kitchens, mechanical equipment and wiring. For the most part, these are located in basement areas."

"Therefore, it would seem that we should protect the ceilings of these areas to safeguard against a quick spread in case of a fire."

There are other items of importance, notably protecting corridors and stairwells from smoke and fire to insure good exits, and leaving all areas. Of course, economically and timewise, it would be impossible to do all the items mentioned in the first year.

It was decided Monday night to seek bids initially on electrical improvements, plastering of ceilings and miscellaneous plastering. Architects meanwhile will be consulted to assure that with such work done first, other projects in the second and third years will not require reworking the completed work.

Work is planned during the coming months at all 12 of the buildings that must be renovated to comply with the state code, which has its emphasis not merely saving buildings from destruction but also saving the lives of their occupants.

Guard Against Smoke

The code was prompted by a Chicago parochial school fire in which more than 100 students and teachers were suffocated by fumes and lack of oxygen. Most of the dead were not reached by the flames.

There is still speculation that some phases of the code will be further altered by the state. With this in mind, changes considered least helpful by the school board will be carried out toward the end of the 1967-70 period.

The 12 schools either were built before 1955 or had sections dating back before that year.

Schools and additions constructed since 1955 in Illinois have included the code requirements in their original designs.

The state thus far has not required remodeling of schools and additions built during the 1955-65 decade.

State Capitol NEWS

NEW DIVISION CHIEF

Gov. Otto Kerner has named Dr. George W. Lantis, Springfield, to be superintendent of the Division of Meat and Poultry Inspection of the Illinois Department of Agriculture, subject to confirmation by the Senate. The vacancy resulted from the death of Dr. Fred C. Maus of Chicago.

Dr. Lantis will take a leave of absence from his present post as assistant superintendent of the Division of Livestock and Poultry Industry to assume his new duties.

The Illinois General Assembly is presently considering House Bill 507, which would consolidate the Division of Meat and Poultry Inspection and the Division of Livestock and Poultry Industry.

TOVELLA IN AUTO RACE
Sal Tovella, one of the most colorful drivers on the U. S. Auto Club race circuits, will compete in the annual 100-mile Allen Crowe Memorial Late Model Stock Car race this year at the Illinois State Fair.

The stock car race, formerly run the final Friday of the State Fair, will be Sunday, Aug. 20, final day of the exposition.

Tovella, who resides in Addison Park, a Chicago suburb, drove for Andy Granatelli, owner of the now-famous and controversial Indy Turbine car, in the early days of stock car racing.

Competition will be tough this year for the Chicago area driver. Both Norm Nelson, Racine, Wis., the 1966 stock car champion, and Don White of Keokuk, Iowa, runner-up to Nelson in the point race and winner of the 1966 race here, will be back this season.

THREE DEVASTATION
Most sycamore trees throughout Illinois are suffering from a fungus-caused disease called sycamore anthracnose, according to Dr. Dan Neely, plant pathologist with the Illinois Natural History Survey.

The disease is due to this spring's prolonged cold weather, which activated the fungus. Sycamore anthracnose winters in twigs and buds and its spores infect sycamore leaves in the spring soon after they appear.

Boy Damages Phone Booth
Damage to the inside of a telephone booth at 21st and State streets was reported to police yesterday evening. A small boy was in the booth before the damage was discovered, police were told.

IT CAN BE DONE

INSCRIBED SILVER BOWL being presented to E. E. Veihl Jr. (left) upon his retirement from General Steel Industries after 41 years service. The presentation was by W. Ashley Gray Jr., president of the corporation.

41 Years with General Steel

E. E. Veihl, Civic Leader, Honored at Retirement Party

A distinguished Quad-City citizen whose accomplishments in community betterment, Boy Scout and charitable endeavors have gained him wide respect was honored Monday evening at a testimonial-retirement dinner, hosted by General Steel Industries, Inc.

Ernest E. Veihl Jr., 3004 Yale drive, who became assistant to the GSI vice-president-sales (International) in 1966, retired this week after 41 years with the Castings Division of GSI, formerly Commonwealth Steel Co. More than 75 company executives and local civic leaders attended the retirement dinner party at Tony's restaurant near Mitchell.

W. Ashley Gray Jr., president of General Steel Industries, presented Veihl with the inscribed silver bowl and spoke briefly. He noted that the retiree had joined the estimating section of Commonwealth Steel's engineering department in 1926, following graduation from the University of Illinois School of Engineering.

In 1929, shortly after Commonwealth was acquired by General Steel Casting Corp., Veihl was transferred to the Edytone, Pa., plant where he became assistant engineer and in 1942 entered the sales department as chief estimator. While living in Pennsylvania, he served eight years on the community district school board, including the post of board president.

Recent Promotions
Veihl returned to Granite City in 1948 when the corporation's general offices were transferred here. In 1950 he was appointed office manager-sales, and two years later was promoted to manager-foreign sales, a position he held until his elevation last

year to assistant to the vice-president of sales. Reviewing the guest of honor's extensive community service activities, C. E. Townsend, Press-Record editor-publisher, described Veihl's civic achievements as "distinguished" and worthy of emulation by others. He pointed out the great amount of time and effort given by the retiree without financial reward, often at personal expense.

Active with the Tri-City Chamber of Commerce since 1954, Veihl served as Chamber president for two consecutive terms from 1958-1959. During his tenure as president, he encouraged the formation of the Port Authority study committee, that ultimately resulted in the establishment of the Tri-City Regional Port Authority, an important addition to future industrial and economic growth of this area.

While serving as C. C. President, Veihl followed the slogan "believe that a man should be proud of the city in which he lives, and he should so live that the town is proud of his living in it."

Presently, he serves on the Tri-City Chamber's Advisory and Congressional Action committees. In previous years, he has held chairmanships of the New Post Office, Granite City All-America City Award, Progress Unlimited, (the Chamber's program for revitalization) and the Program committees.

Housing Commissioner
Veihl also serves as a Granite City Housing Authority Commissioner. He has held the post since 1954, during which period he was among local community members active in the promotion and development of Anchorage Homes for senior citizens.

Currently, he is commissioner of the Cahokia Mound Council, Boy Scouts of America member, since 1950, and past president of the Granite City Optimist Club, and a member and past director of the Sunset Hills Country Club.

Veihl served on the St. Elizabeth Hospital Lay Advisory Board from February 1952 until December 1961. During the 1957 hospital fund-raising drive, he was chairman of the campaign publicity committee and later headed the nominating committee of the hospital board in 1960. In the recent improvement and expansion fund-raising campaign, conducted by the local hospital, Veihl continued to work diligently as a member of the Advance Gifts Division.

He was a member of the Community Chest board of directors, before formation of the United Fund, on which he also serves as a director.

Howard Parks, a General Steel Industries vice-president, served as master-of-ceremonies at Monday night's program, which featured a surprise "This Is Your Life" presentation.

A series of slides recorded incidents in Veihl's life from infancy in the arms of his mother, through his high school years at Granite City where he was graduated in three years as class valedictorian, to current sequences with his family.

Veihl and his wife, the former Muriel G. Burr of Champaign, are the parents of one daughter, Mrs. Robert L. Smith of Waco, Tex., the wife of an Air Force colonel. They also have three grandchildren, Craig, Robin Lea and Kim Smith of Waco.

Co-workers of the honoree presented him with a movie camera and case and Veihl expressed appreciation to the guests for the gifts and laudatory remarks.

Stephen Foster Story to Begin 9th Season

"The Stephen Foster Story," a musical drama about 19th-century America's favorite balladeer, is beginning its ninth season at Bardstown, Ky.

One of the nation's best-known outdoor productions, the Kentucky drama has drawn more than 300,000 people since its opening in 1959. An additional 50,000 or more are expected to attend this year.

It all started with Foster himself, who visited a fine Bardstown mansion (Federal Hill) in 1932 and wrote a song about it.

"My Old Kentucky Home" was a smash on the black-face minstrel circuit and later became one of the world's immortal popular classics.

The people of Bardstown took it from there eight years ago, and produced a tangle of extra-ganzas written by Pulitzer Prize-winning Paul Green. It's been showing every summer since.

The play focuses on one year of the composer's life, featuring his historic visit to Bardstown and the writing of Kentucky's now-official state song.

"Oh, Susanna," "Camptown Races," "Ring, Ring de Banjo," "Jeanie with the Light Brown Hair," "Old Dog Tray," "Old Folks at Home," "Beautiful Dreamer" and other Foster favorites lead the performance to a climactic rendition of "My Old Kentucky Home," the production's finale. There's a 46-member cast.

Stephen Foster is portrayed by Mike Morton, of Cincinnati, who assumed the role for the first time this year. His leading lady is Chrys Crowder, of Gallatin, Tennessee.

Back for a fifth consecutive year will be Herman Durham III, a docile Bardstown hound now famous for his scene-stealing interpretation of Old Dog Tray.

Performances begin at 8:30 p.m. except Mondays through Sept. 3. The amphitheater is in My Old Kentucky Home State Park, a short distance from the old Federal Hill house, that inspired Foster's most famous song.

Matinees will be performed at 3 p.m. Sundays in the air-conditioned Bardstown Auditorium. In case of rain, evening performances are also staged there.

Motorist in Accident Faces Traffic Charge

Involved in a collision Wednesday night on Johnson road at Nameoki road were autos driven by Danny Robinson, 2888 Bern avenue, who was charged with a right-of-way violation, and Ernest J. Williams, 2724 Harvey place. Police said Williams was crossing the intersection traveling east, and Robinson was pulling out of a service station driveway, also to travel east.

Immunization Clinic Saturday at Hospital

St. Elizabeth Hospital's free immunization clinic will be conducted from 8 to 10 a.m. Saturday in the basement of the Tri-Cor Medical Building, located across 21st street from the hospital. Services and medicines furnished at the clinic are provided free of charge to Quad-City youngsters with referrals from their physicians, schools or a welfare agency.

GC Kiwanians Attend Redbird-Grant Game

About 30 Granite City Kiwanians and their guests attended the St. Louis Cardinal - San Francisco Giants baseball game Monday evening. The outing replaced the club's usual weekly dinner meeting. Melvin T. Gillie, Kiwanis president, said today that next week's meeting also has been cancelled due to the Fourth of July holiday weekend. Club members will resume dinner sessions on July 10, at the Rose Bowl.

11TH & STATE GRANITE CITY

MADISON PUBLIC LIBRARY's story hour ended Tuesday with a story-telling session by Mrs. Louise Lewis, a dance period and refreshments. Eager listeners in above photo are, left to right—Mary Bisto, Louis Bisto, John Shable, Kevin Ramach and Jacqueline Lelani Pingel, who presented a special Hawaiian dance to the music of "Little Grass Shack." An average of 30 children of Kindergarten to Fourth grade age attended the sessions.

MORE ABOUT Long Debates

engineering is completed. The business of Monday night's session included rejection of a special tax levy to wipe out a \$103,381 deficit in the sewer maintenance fund and another turn-down of the request by East St. Louis & Interurban Water Co. for a special use permit to build a 2,000,000 water storage tank to improve service to the city. Related stories giving details of the numerous debates appear elsewhere in this issue.

Fund Records Disagreement A dispute over handling records of city funds and a disagreement over interpretation of which funds are municipal funds was brought to light Monday night.

A letter from Comptroller Robert Stevens pointed out City Treasurer E. R. "Pat" Rich will not provide reports on sewage treatment and Nameoki area sanitary sewer payments to the comptroller.

Alderman Rutledge, chairman of the Finance committee, pointed out that last year an agreement was reached whereby the treasurer would handle the collections, but that a double set of books would be maintained of all city financial records by the comptroller and the treasurer. He stressed that all parties involved had agreed and signed the recommendation made by the city's auditor.

"What's happened now, I don't know, but we've got to get this straightened out," Rutledge said. Alderman Fry recommended a meeting of the treasurer, comptroller, mayor, auditor and Finance committee, but no date was set.

Treasurer Explains Treasurer Rich was called upon for an explanation. Rich said the ordinances specify that the treasurer collect the fees and keep the records, making a monthly report to the clerk, who is to do the billing.

"The council says that the comptroller assume the duties of the clerk," Rich said, explaining that he submits reports to the comptroller pertaining to city funds, but that under strict interpretation of ordinances, this does not pertain to the sewer fees.

Rutledge cut off the treasurer's comments by remarking: "This type of thing is happening too often. The law calls for reports to be made on all monies. I'm getting sick and tired of this."

Mayor Partney added that the city's non-financial system calls for a double set of books to be maintained, with a set in each office for cross-checking purposes.

Rutledge commented that state statutes call for the comptroller to exercise the duties of the treasurer pertaining to city finances.

Up until last year, the comptroller handled all sewer billing and record keeping, and then it was determined that city ordinances assigned the billing and collecting tasks to the clerk and treasurer, and the council au-

Stop Sign Charge

Roger Schaffner, 609 Washington avenue, Venice, was issued an arrest ticket Wednesday evening at Willow avenue and Edgewood drive on a charge of failing to observe a stop sign.

Debates Continue

With that debate ended, the council went on to others, and it was not until about 10:45 that demands were made to speed up the meeting to bring it to a conclusion. Alderman Nomm had departed by that time, and Alderman Whittier had announced that he was leaving when 11 o'clock arrived.

The council then was engaged in a debate over issuance of a special permit to the water company, or whether it should continue to hold out for a franchise.

Since the matter had been aired in a one-hour discussion at last week's meeting, a motion to end the debate was called for, and the council became mired in discussion of the legality of the motion.

A little headway was made as the council moved on from the Fire and Water committee report to the Sanitary committee report, although a move was made to advance the police committee report.

Alderman Robertson, a member of the Sanitary committee, objected, and the Sanitary committee went ahead with its report with less than 10 minutes remaining before the curfew.

Broken Bottles Complaint The council became involved in another debate over purchase of a truck for a new insect sprayer, and the committee report was ended when a complaint was made that National Disposal Co. trash collectors had broken bottles in the alley in the 3700 block of Fair Oaks drive resulting in damage to several tires on an automobile. The matter is to be referred to the trash collection contractor for settlement.

Basarich suggested the agenda be changed in the future to give committees that had not been heard from in two weeks a chance to report.

Mayor Partney replied that committees were listed as the chairman reported to his secretary to get placed on the agenda.

Rutledge objected to adjournment, pointing out the Planning and Zoning committee had not been trying for two weeks to present a recommendation for zoning changes requested along Pontoon road. He pointed out that attorneys representing the petitioners had been waiting for three hours to speak on the matter.

At 11:05, Partney suggested the council might continue on with the meeting.

The vote lost with a 6-to-6 tie vote. Voting for continuation of the meeting were Moerlein, Bartosik, Rutledge, Fry, Jarrett and Dawes. Opposed were Dallas, Boyd, Poulos, Green, Basarich and Partney.

A suggestion was made to adjourn until 8 p.m. Tuesday. A show of hands brought out only six aldermen would be present. Nine said they could attend Wednesday, and that would be a quorum.

Linda J. Froemling Named to Dean's List

Miss Linda J. Froemling, daughter of Mr. and Mrs. Albert Froemling, was named to the dean's list for the second semester of the 1966-67 school year at Lindenwood College, St. Charles, Mo.

The list recognizes students with a grade average of 3.5 out of a possible 4.0 scale. Linda, a music education major, was one of 28 students with a perfect 4.0 average.

3 Firecracker Complaints

Police answered three complaints on firecrackers yesterday afternoon, going to the 3600 block of Madison avenue, 2400 block of Logan street and 1700 block of Moro avenue. No arrests were made.

James Logue is Elected Commander, Legion 113

Election of officers was held at a meeting of the Tri-City American Legion Post 113 this Tuesday. The incoming officers include James Logue, commander; Hugh Oglesby, senior vice-commander; Cleus Pattberg, junior vice-commander; James Wilson, sergeant-at-arms; Wilbert Niepert, historian; Frank Toth and Abner Branding executive board; Stanley Edwards, trustee; Joseph Summers and Robert Summers, delegates to state convention; and Wilbert Niepert and Joseph Wylter alternate delegates.

William Harris and Douglas Winters, two boys whom Post 113 sent to the Boys' State convention held in Springfield this April, recounted their experiences at that convention to the meeting, and thanked the Legion.

SPRINGFIELD - BOUND youngsters prepare to leave Wilson Park early Tuesday morning for an all-day excursion to Lincoln's Tomb, the state capitol, New Salem Park and other places of historical interest. Four buses transported 200 participants in the Granite City park district summer recreational program on the tour.

Serving the Community 40 Years

L. M. FREESE, Mgr.

Mathews, Kirchner, 8 Other Teams In Park Holiday Softball Tourney

Part of local July 4th celebrations for the past 18 years has been the annual Granite City park district Invitational Softball Tournament, to be held this year June 30-July 4.

Ten teams, including Kirchner's and Mathews Chevrolet of Granite City and six St. Louis teams, will compete beginning at 7:30 p.m. Friday, June 30.

St. Louis teams entered are L&L, Moydell Funeral Home, L. K. Duncan Trucking, Bella Rosa, Kutis Funeral Home, Clancy's Tavern, Pirates and Pepsi-Cola of Flat River, Mo.

It will be a double-elimination tournament.

Kirchner's opens the meet against Moydell in the initial game tomorrow evening and Mathews Chevrolet plays Duncan in the final opening day game at 9 p.m.

The 19th annual American Softball Association-sanctioned tournament schedule also will pair the St. Louis Pirates and Bella Rosa at 9:30 a.m. Saturday, Kutis and L&L at 11 a.m. Saturday, Clancy's and the Kirchner-Moydell survivor at 1:30 p.m. Saturday and Flat River and the Mathews-Duncan winners at 3 p.m. Saturday.

The losers' bracket will open with the Pirates-Bella Rosa and Kirchner-Moydell losers colliding at 6:30 a.m. Saturday and the Kutis-L&L and Mathews-Duncan losers meeting at 8 p.m. Saturday. Then the Saturday evening winners will play at 1 p.m. Sunday and the Saturday afternoon losers will meet at 2:30 p.m. Sunday.

Winners' bracket semifinals are slated between the Saturday morning victors at 5 p.m. Sunday between the 1 p.m. Sunday loser and the 5 p.m. Sunday winner at 8:30 p.m. Sunday.

Next will be the 8 p.m. Sunday survivor and the 6:30 p.m. Sunday loser. At 9:30 p.m. Sunday, the 5 p.m. Sunday loser will oppose the survivor of the 8:30 p.m. Sunday contest.

Two games on Monday, July 3, may help decide the fate of the winners of the two final Sunday games, who will play at 7 p.m. Monday, and the last two unbeaten teams (5 p.m. and 6:30 p.m. Sunday winners), who will lock horns at 8:30 p.m. Monday.

The 7 p.m. Monday game survivors will oppose the 8:30 p.m. Monday loser at 2 p.m. Tuesday, July 4, with the winner advancing to the championship game at 6:30 p.m. Tuesday against the 8:30 p.m. Monday winner.

A second championship game may be necessary at 8 p.m. Tuesday if the 6:30 p.m. loser has suffered only one tourney defeat.

Richert Finds Longest Route Leads to Victory

Jerry Richert of Forest Lake, Minn., the three-time International Motor Contest Association sprint car champion, has entered the seven-event program at the Tri-City Speedway here on Saturday, July 1. Time trials begin at 7 p.m.; races begin at 8 p.m.

Richert is one of the few remaining "rim-riders" in the speed game. He likes to take the high, long way around a race track, and after looking at his record one can see why.

He has 19 track lap records in the IMCA record book and he's ranked second in the all-time IMCA sprint car standings—not bad for a young man who decided to give up a \$4-a-day farm-hand job in central Minnesota to go racing.

After cutting his teeth in the modified ranks, Richert made his move in the open cockpit sprint cars. He won his first sprint race at Lakeside stadium in Kansas City back in 1957 and he's been winning races ever since.

He'll be wheeling the Wagner-Johnson Chevy powered sprinter at the Tri-City Speedway Saturday, the same rig that carried him to three consecutive national championships. And you won't miss him either. He'll be the one who is riding high, almost straddling the outside rail, and chugging at the steering wheel like a logger does a pine.

Other entries received for the seven-event program include Chuck Mohr of Bettendorf, Ia., and Tom Corbin of Carrollton, Mo., Mohr in a Ford-powered car and Corbin in a Chevy setup.

Regional Men's Softball Meet Here July 8-16

The Amateur Softball Association regional slow pitch tournament will be held July 8 and 9 and July 15 and 16 in Granite City. Harold Brown, park superintendent, announced today.

The four teams in the double-elimination men's regional tournament will advance to the state finals in Caseyville on July 22.

Polish Hall, the Granite City team which won the competition last year, will be given an automatic seeding at the state finals this year.

Entries for the men's regional tournament must be submitted by July 5 to Supt. Brown at the Granite City park office.

Drag Racing '500' July 1-4 at Rockford

The eyes of the auto racing world turn to another "500" in the next two weeks—the NASCAR International "500" of drag racing which will be run July 1-4 at the Rockford dragway.

For drag racers, the Rockford "500" carries much of the prestige which the Indianapolis "500" carries for oval track fans.

The "stock" drag racing cars will compete in championship events the first two days of the meet, Saturday and Sunday, July 1 and 2, and the big, rally-type dragsters will run the final two days, Monday and Tuesday, July 3 and 4.

In addition to national honors, the drivers will be competing for a share of a record purse of \$50,000 in the Rockford meet, combined with a cooperative meet being held at Great Lakes Dragway at Union Grove, Wis., on the same four days.

At Great Lakes, the dragsters will run on Saturday night and Sunday afternoon and the stock cars on Monday and Tuesday.

JERRY RICHERT To Race Here Saturday

Legion Holds Collinsville to One Hit But Drops 9-6 Game

Scheduled for an exhibition game at Carlyle tonight and an out, seven walks and an error accounted for five more Collinsville runs.

Steve Lengyel took over the mound from Jim Becker at this point and retired the first batter he faced to end the inning. He went on to shut out Collinsville the rest of the way.

By contrast, Granite City had to hit to score most of its runs. Patton singled in two runs in the second inning. Hoffman singled to load the bases and set up a run which came home when Collins walked in the third.

And Patton later tripled and scored when Ripka lofted a sacrifice fly deep into the outfield. Aside from Patton's hitting, the most heartening aspect was Lengyel's continued excellent pitching. He has yet to allow an earned run in the 17 innings he has pitched, and last week he went the distance against league-leading Belleville, though three unearned runs caused him to be the losing pitcher.

Granite City manager Bill Turpenoff attributed part of the defensive problems to the fact that he had had to do a considerable amount of reshuffling in his lineup.

Giving Tuesday's contest as an example, Turpenoff noted that the team had lost key players

Openings in Judo, Wrestling Classes

There are still openings in the Granite City YMCA's weekly wrestling and judo classes which began last week, a YMCA official announced today.

The nine remaining judo classes, open to boys and girls, will be held on Saturdays, from 9 to 10:30 a.m. for the 8-to-14-year-olds.

The eight remaining wrestling classes will be held on Wednesdays, from 5:30 to 6:30 p.m. for boys 8-to-14 years old and from 6:30 to 7:30 p.m. for boys 15-to-18 years old.

In each of the classes, the price for enrolling in the younger age group is \$3 for YMCA members and \$7.50 for non-members; in the older age group, \$5 for members and \$10 for non-members.

LAKE MEAD FISHING in Nevada proved easy for Bob Geroff (left), a Madison high school student, and Stephen Geroff (right), a 1967 MHS graduate who is a pre-medical student at St. Louis University. They are the sons of Dr. and Mrs. Steve K. Geroff, 1601 Sixth street, Madison. Thirty large bass were caught during two lake outings on the 30-foot yacht of J. T. Franklin (center), owner of three Las Vegas motor hotels.

High School Teams in High-Scoring Games

St. Margaret Mary led all the way and added five runs in the last frame to beat MK Printing 16-6 and the Raiders downed Morris Realty 18-4 in slow pitch softball games of the High School league at Wilson Park last night.

Joseph Dovin had two doubles and Victor Plechocinski, Gary Edwards, Walter Christenson, John Tyler and Newton Tapp had two singles each as part of an 18-hit attack by St. Margaret Mary. Tapp gave up 12 hits.

Robby Chast and Tim Grebe had three singles each and Robert White had two singles for MK. Mark Holshouser pitched.

The Raiders opened with five runs on singles by Robert Malotki, Steve Mance, Jay Christoff and Russell McGovern and a homer by James Stuart, only to have Morris Realty counter and tie the game in the third on successive singles by James McCart, Daniel Hodge, Joseph Lehne, Charles Bladick and Mike Higgins.

But the Raiders rallied with four in the fourth on an error, two singles and Bill Gavitsky's triple.

John Robbers allowed the losers 12 hits. James Fitzpatrick gave up 16 hits to the winners.

GC Legion 4 1/2 Games Out of First Place

Rain Tuesday evening prevented three scheduled American Legion League baseball games pairing Belleville-Edwardsville, Dupu-East St. Louis and Fairmont City-Collinsville. Fairmont defeated Dupu 8-4 Monday.

Standings now show Belleville on top with a 5-0 win-loss record. Fairmont next with 6-1, East St. Louis 5-4, Collinsville 3-3, Edwardsville 2-4, Granite City 2-5 and Dupu 0-7. The local squad, American Legion Post 113, is four and a half games off the Belleville pace.

4-3 Game Contrasts With 16-13 Slugfest

Tony and Joe's scored twice in the bottom of the seventh inning to squeak by Jacobsmeyer's 4-3 in men's 35 and Over slow pitch softball Monday night at Wilson Park.

Babe Ametung had the key hit in the last inning, while Tony and Joe's Gas Lignoul, with a single and double, was the only batter in the contest with two hits.

Elsewhere in the 35 and Over competition, hitting was more robust as Local 16 blasted FW Post 1300 by a 22-8 score and Midtown Pharmacy outscored the Coachlitters 16-13.

Don May and Cotton Singler supplied the big fireworks in the Local 16 lineup; each banged out a homer, double and three singles. Teammates Glenn Eddleman and Louis Kalata added to the winning cause with three hits apiece.

Every batter in the Midtown Pharmacy lineup hit safely in a big 10-run second inning, which gave them a 12-0 advantage. They later moved just beyond reach of the Coachlitters' late-inning charge.

For the winners, Vern Purkey and Ed Reinscheid each had three hits, while Harold Portell, Ray Hadley, Walt Wilson and Bill Connolly waited in with two hits apiece. Norm Martinez, Dink Morris and Don Lloyd had two hits apiece for Coachlitter.

E. St. Louis to Swim River on July 4th

George Hopper of East St. Louis will swim across the Mississippi river towing a boat with both hands handcuffed behind his back beginning at 5 p.m. July 4 from the Illinois side near the Eads bridge.

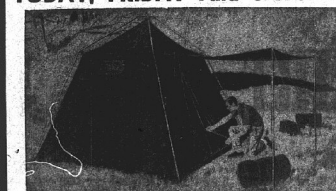

In the boat will be a barrel which Hopper will use to solicit funds for muscular dystrophy research on the Missouri side near the waterfront fireworks display area.

Spoiler Role For Hearts in Contest Here

When Inter-City baseball re-
sumes at 2:30 p.m. Sunday, Red
Division league-leader Troy (9-1)
will host the hapless, cellar-
dwelling Maryville (0-9) squad at
the Troy diamond.

Blue Division leader East
Alton (9-2) should face stiffer
competition when it travels to
Pocahontas (5-5), which handed
Maryville its last two defeats in
a twinbill last Sunday.

Of the three Quad-City teams,
one will play here and two will
be on the road Sunday.

Sacred Heart (4-6) of Granite
City seems out of the running
for the Red Division title, but
will be in a position to spoil the
hopes of a team which might
threaten Troy when it takes on
second-place Collinsville Moltor
Motors (6-4) at Wilson Park.

Granite City Steel Credit Un-
ion (4-6) of the Blue Division will
try to even its season record
when it visits the Collinsville
Utes (1-8) of the same division
at Fletcher Field, Collinsville.

Second-place Mercer of Gran-
ite City, a Blue Division contend-
er with a 7-3 record, will go to
Jones Park in East St. Louis to
face the Polish-American War
Veterans (5-6).

Young Trackmen To Compete at Alton Saturday

Boys and girls from 25 com-
munities in southwestern Illinois
will compete in Alton Saturday,
for sectional honors in the 12th
annual Illinois Junior Sports
Jamboree.

About 400 Quad-City youngsters
will compete.

First-place winners in each
event at the sectional meet will
be eligible for an expense-paid
trip to the state finals at Pekin
on Aug. 3, 4, and 5 as guests of
the Illinois Youth Commission.

The statewide track and field
competition, open to boys and
girls between the ages of 10 and
15, is sponsored by the Youth
Commission with the cooperation
of the Illinois Jaycees.

Winners from 217 local Jam-
borees will advance to sectional
competition in 12 different cities.
Competing in the Alton section-
al will be finalists from local Jam-
borees held earlier this summer
at Alton-Godfrey, Belleville, Beth-
el, Collinsville, Granite City, Grif-
fon, Greenville, Highland,
Hillsboro, Lebanon, Litchfield,
Nokomis, Pore Marquette State
Park, Springfield, St. Louis, Tre-
nton, Troy, Waterloo, and
Wood River.

The meet, which will be held
at the Alton high school athletic
Quincy, Peoria and Sullivan.

Drive-In Wins 8-5 In Women's League

In Women's League slow pitch
softball at Wilson Park Monday
night, Drive-In Laundry beat
Burger Chef 8 to 5.

Linda Sine and Phyllis Sykes
each had three hits, while Judy
Bautsch and Mary Cauble each
had two in pacing the Drive-In
Laundry offense. Sandy Allen
had two hits for Burger Chef.

Park Games Rained Out

Two Classic League men's
games and one Women's League
contest scheduled for the Wilson
Park softball diamond Tuesday
night were postponed due to
rain.

The statewide track and field
competition, open to boys and
girls between the ages of 10 and
15, is sponsored by the Youth
Commission with the cooperation
of the Illinois Jaycees.

Winners from 217 local Jam-
borees will advance to sectional
competition in 12 different cities.
Competing in the Alton section-
al will be finalists from local Jam-
borees held earlier this summer
at Alton-Godfrey, Belleville, Beth-
el, Collinsville, Granite City, Grif-
fon, Greenville, Highland,
Hillsboro, Lebanon, Litchfield,
Nokomis, Pore Marquette State
Park, Springfield, St. Louis, Tre-
nton, Troy, Waterloo, and
Wood River.

The meet, which will be held
at the Alton high school athletic
Quincy, Peoria and Sullivan.

Thurs., June 29, 1967 Page 7

20-Run, 21-Run Totals By Winners at Park

Illinois Power Eagles scored
at least twice in every inning
and breezed to a 20-0 victory
over Abel's Astro Body in Class
C slow pitch softball Wednesday
night at Wilson Park.

Facing the Eagles' attack were
Don Kaltmayer, who hit a home
run in the fifth, and Dave Thom-
as, J. W. Allen, Jim Labonski
over Abel's Astro Body in Class
C slow pitch softball Wednesday
night at Wilson Park.

Also in the Class C league last
night, Clark's Vikings, behind a
three-homer barrage by Jim
Rains, buried Branding's Service
Station 21-5.

Rains' performance over-
shadowed the scarcely less im-
pressive hitting of teammate
Gary Whitehead, who singled,
doubled, tripled and homered.
Glen DeGuerre had three singles.
Jerry Barnett, Tom Tindall,
Larry Lilley, Dave Tindall and
Jim Corbett further bolstered
the Viking attack with two hits
apiece.

SALE AT BELMORE VILLAGE AND MADISON

Area's First Neighborhood Service Center Opens Friday

Bike, Car Collide

A bicyclist, Glen Smith, seven, son of Mr. and Mrs. Frank Smith, 2949 Iowa street, was unhurt when his bicycle and an auto collided at 1:55 p.m. Tuesday at Iowa and 27th streets, according to a report by police. Officers said the car was driven by Charles E. Dowdy, 3000 Sinclair avenue, who was headed north on Iowa.

FREE TOUR LITERATURE
AT HOLIDAY SERVICE

Official opening of the Quad-Cities First "Neighborhood Services Center" to be operated here by the Madison County Economic Opportunity Commission will be marked with ribbon-cutting ceremonies at 10:30 a.m. tomorrow.

David L. Walker, county EOC assistant director, said it is located in Madison at the corner of Second street and Madison avenue. The Madison Avenue Center occupies a building which formerly housed an automotive garage and repair shop. The structure encompasses a 60 x 2175 square feet of floor space.

Expected to be on hand tomorrow for the ribbon-cutting ceremony are civic dignitaries, including mayors of the local communities, school district superintendents and representatives from the Illinois State Employment Service, Madison County Public Aid office, local welfare agencies, Granite City Army Depot, Tri-Cities United Fund and the county anti-poverty agency.

Types of Services
Walker, who serves as EOC neighborhood services center project director, explained that programs to be offered at the local center primarily will be focused on immediate target areas in Venice and Madison. He stressed, however, that services at the center will be available to all Quad-City residents. Renovation of the building to make it more functional still is in progress, Walker said. He added that partitions are being

installed to divide the interior into office areas, consulting rooms and a community meeting room.

The project director pointed out the local center is the second such facility recently opened by the anti-poverty commission. The initial center project is located in the Alton area where another neighborhood facility will be opened next week.

Walker explained the principal objective of a neighborhood services center is three-fold—to cor-

relate activities of all existing anti-poverty programs at a single location. Current EOC programs to be administered from the Madison Avenue Center will include Legal Aid Services, Neighborhood Youth Corps and the On-the-Job Training program.

New Programs
New EOC programs to be instituted at the center will focus on public health, a family services specialist and a community organizer, Walker said.

Secondly, the EOC official said, the center will be utilized as resource-reference headquarters,

through which existing welfare health-education agencies may establish "out-post" offices, providing easier access to those being served. The center staff also will maintain reference files to steer clients to other appropriate agencies where assistance in a specific problem is available.

Thirdly, Walker said, the center provides a focal point for community action groups and local self-help clubs by providing a meeting place and organizational assistance.

Maurice S. Harris, county EOC director, will introduce members of the Madison Avenue Center staff at tomorrow's ceremony.

Those recently hired to staff the center include Miss Betty DeBow of Venice, center supervisor; Mrs. Ruby Williams of Venice, intake interviewer; Miss Ernestine Meyers, clerk-typist; Mrs. Allie Mae Williams, Mrs. Dorothy Buford and Miss Daisy Clayborn, neighborhood "out-reach" workers, and Walter Newsome, building custodian.

SOCIETY

Welcome Wagon Family Gathering

Due to rainy weather, a family picnic planned by members of the Welcome Wagon club was held in the home of Mrs. Harriet Lovins, 2332 O'Hare avenue, Tuesday evening.

Twenty-five adults and 22 children were served a buffet dinner, followed by prizes awarded to Richard Lovins, Wayne Price, Mr. and Mrs. Fred Pierce, Mr. and Mrs. Alan Dale and Ralph Sohn.

A special prize for the person moving here from the longest distance went to John Dress, formerly of Nebraska. He is the public relations director of St. Elizabeth Hospital and was accompanied to the party by Jerry Reifschneider, administrative resident trainee at the hospital. On behalf of the hospital building fund, they accepted a donation from the club, which represented proceeds of a "hobby auction" conducted earlier this month.

Mrs. Lovins announced a party will be given by the members July 10 at Wilson Park in honor of the 100th birthday of Mrs. Minnie Richardson. Those planning to attend are to meet at Area Five at 9:30 a.m.

Jayceettes Plan For Installation

Mrs. Kathy Jeffries, president, conducted a monthly meeting of the Jayceettes Tuesday evening at the Jayco's hall, with ten members present. Plans were made for the annual installation of officers for 1967-68, to be held jointly with the Jaycees July 1 at the Round Table restaurant.

Mrs. Nova Ward read a letter of thanks from Pvt. Joe Leutenger for a package sent to him in Vietnam from the club. Other reports were submitted by Mrs. Sharon Ritchie on finances, Mrs. Connie Stroheide on the Miss Granite City pageant June 14 and Mrs. Betty Lake on a mother-and-daughter banquet June 5 at the Flaming Pit, Edwardsville.

Mrs. Sharon Cooper and Mrs. Liz Day were named to serve at the monthly immunization clinic in July. A "homemade article" was won by Mrs. Donna Wetherholt. The president announced the next meeting will be held July 25, when the program will be a demonstration of ceramic painting and antiquing.

Mrs. Stroheide and Mrs. Joyce Walker served refreshments to those named and Mesdames Sharon Cooper, Judy Eaton, Lorraine Niciechi, Pauline Presley, Donna Wetherholt and Betty Lake.

Following the meeting, games were played, with prizes awarded to the winners. Hostesses for the month of July are Mrs. Melba Fricker and Mrs. Melanie Wolf. There will be no meeting on July 4th, the next regularly scheduled meeting will be July 11.

MRS. RAYMOND E. BARKER (Naomi R. Nickell), a daughter of Mr. and Mrs. Samuel T. Nickell, 2571 East 27th street, who was married Saturday at St. Paul's Lutheran Church in Troy. The bridegroom is a son of Mr. and Mrs. Robert Barker of Collinsville.

Farewell Party For Mrs. Marler

Mrs. Mabel Marler, who has been employed as a cook at the Madison Nursing Home the past 14½ years and is now retiring, was given a farewell party Tuesday afternoon by Mrs. Cora Barr, proprietor of the home.

Those attending were Mr. and Mrs. Bruce Marler, Mrs. Delmar Marler, and Mrs. Jacqueline Riggs and daughter, children of the honoree.

Also present were fellow employees of the guest of honor. They were Mrs. Mary Lou Stark, Earl Ingram Jr. and children, Mrs. Melba Favier, Mrs. Violet Nickels, Mrs. Evelyn Snyder, Mrs. Wanda Hubert, Mrs. Ethel Barney, Mrs. Joe Hartline, Mr. and Mrs. Lide Pate and Mrs. Barr.

Refreshments were served from a table centered with a decorated cake, and Mrs. Marler was presented with a gift.

WOMEN OF MOOSE HOLD MEETING

A business meeting of the Women of the Moose was held last night with Mrs. Mildred Votoupal, senior regent, in charge. A letter was read from Mooseheart announcing an official visit of Mrs. Antoinette Marinello, director of chapter activities, to the local chapter July 26.

Mrs. Nona Young was installed as pianist for the year, and the charter was draped in memory of Mrs. Caroline Lindsey, a deceased member.

Prizes were won by Mrs. Bea Harris, Mrs. Alice Daughtry, Mrs. Gladys Markovich and Mrs. Marion Lipscomb. Four new members were enrolled at the meeting.

READY MIX CONCRETE CALL LYBARGER GL 2-3107 or GL 2-4180

HAVE YOU TRIED RED BARN'S NEW CHICKEN?

RECENT BRIDE: Mrs. Marvin Glenn Dollins, the former Cynthia Ann Field, a daughter of Mr. and Mrs. Kenneth C. Field of Beverly, Mass., who was married at St. Peter's Episcopal Church in Beverly. The bridegroom is a son of Roy T. Dollins, 2105 Miracle avenue.

BETROTHED: Miss Elisabeth Mary Zornick, a daughter of Mr. and Mrs. Ferdinand C. Zornick, whose engagement to A. J. C. Franklin W. Kitchen, a son of Willis Kitchen of Madison, has been announced in Italy, where the prospective bridegroom is stationed.

Kitchen-Zornick Engagement

The engagement of Miss Elisabeth Mary Zornick, a daughter of Mr. and Mrs. Ferdinand C. Zornick of Italy, and A. J. C. Franklin W. Kitchen, a son of Willis Kitchen of Madison, and grandson of Mr. and Mrs. Jasper Conover of Troy, Ill., has just been announced in Italy where the bridegroom-to-be is presently stationed. The wedding of the couple will take place in July.

SHIP SHAPE TOPS CLUB DISCUSSES CONVENTION

A weekly meeting of the local Ship Shape Tops chapter was held Tuesday evening at Schermer's civic center in Madison.

The leader, Mrs. Yvonne Pasig, presided over the business session, with 30 members weighing in.

The Tops pledge was read and weight loss awards went to Mrs. Hazel Trotts of Madison and Miss Nancy Hadley of Granite City.

The members agreed to send, if funds permit, a chapter representative to a convention in Chicago on Sept. 30.

Following the meeting, games were played, with prizes awarded to the winners.

Hostesses for the month of July are Mrs. Melba Fricker and Mrs. Melanie Wolf. There will be no meeting on July 4th, the next regularly scheduled meeting will be July 11.

South Venice

Mrs. Jeannette Woodrume
634 Lincoln Avenue
GL 1-9859

Frank McGeehee, 622 Lincoln Avenue, Venice, motored to Bunker Hill during the weekend to a birthday barbecue honoring one of his friends. While there, he assisted in barbecuing a pig on an open fire. Before returning home Sunday, he was joined by his wife, Peggy.

VISIT IN NORTHWEST

Mr. and Mrs. Ivor Cowley, 630 Lincoln Avenue, and Mr. and Mrs. Claude Moore, 832 Lincoln, returned this week from a three-week vacation in Idaho Falls, Id. They visited Moore's son-in-law and daughter in Idaho, Mr. and Mrs. Carl Freeman and children. Freeman, a former Venice resident, is the former Miss Virginia Moore.

From there, they motored to Richland, Wash., to the home of Moore's son and daughter-in-law, Mr. and Mrs. Bob Moore, formerly of Granite City. The

younger Moore has been ill and hospitalized in Richland. They next motored along the Pacific Coast and viewed many points of interest on their trip home.

HOSTESS TO CLUB

Mrs. Ina Campbell of Granite City was hostess to a semi-monthly Yak-Yak club meeting in her home Monday evening. Games were played and prizes were awarded to the winners, Mrs. Estella Bone and Mrs. Campbell.

Refreshments were served. Others present were: Mrs. Boush Sizemore, Mrs. Frances Cowley, Mrs. Ethel Moore, Miss Dorothy Scarlett, Mrs. Clara Simmons, Mrs. Faye Smith, Mrs. Margaret Stover, Mrs. Emily Adams and a guest, Mrs. Ellen Douglas, all of Venice, and Mrs. Helen Annis, Mrs. Kate Syniski and Mrs. Kate Dymas, all of Madison.

Next meeting will be July 10, with Mrs. Cowley as hostess.

SENIOR CITIZENS

PLAN TOUR JULY 6

A monthly business session of the Venice Senior Citizens was

held Tuesday in the club room at the Venice city hall.

Due to the hospitalization of the president, Mrs. A. Audress Brown, Vice-President William Meehan sr. presided.

Reports were made by committees, and final plans were made for a tour of Grant's Farm on July 6. Any member or non-member wishing to join the group on the tour may do so by contacting Mrs. Mildred Pratt at TR 6-3541. The fee is \$1 and will be collected upon making the reservation.

The group will meet at the Venice city hall and depart by chartered bus at 9 a.m. There will be no children's reservations.

A new member welcomed to the organization was Mrs. Catherine Moser.

Others present were William A. Butler, Mrs. Marie Mangi, Mrs. Mayme Dempster, Mrs. Myrtle Fields, Mrs. Toni Raisin, Miss Lucella McCoid, Mrs. Ann Harden, Mrs. Bess Stoll, Mrs. Marie Zeigler, Wesley Zeigler, Mrs. Nora McCoid, Mrs. Stella sister-in-law, Mr. and Mrs. Robert Loftus, Mrs. Clara Krause, Mrs. Minnie Kuschmitz, Mrs. Marie Da-

Excessive Noise

A charge of making excessive noise with an auto was placed against Dennis Rayman of Colinsville, who was issued an arrest ticket last night at 23rd street and Madison Avenue.

Mr. and Mrs. Jack Tolliver and Jeffery, Dick, Daniel and Maryann, 1250 Klein Street, Venice, returned home Sunday after a week's trip to Denver, Colo. The Tollivers, combining business with pleasure, visited Colorado Springs and other points of interest before motoring home.

HOME FROM COLORADO

Mr. and Mrs. Larry Schmidt and children, Lauri, Robert, Richard, Rita and Ramona, 820 Lincoln Avenue, returned home Sunday evening after a weekend visit with Schmidt's brother and sister-in-law, Mr. and Mrs. Robert Schmidt and family of Carlinville, Ill.

LINCOLN SPOKE HERE in his stocking feet from the balcony on the side of this Danville home. The house, once the home of Lincoln's friend, Dr. William Fithian, is now the Vermillion county museum.

Shoeless Abe Lincoln Spoke from Balcony

Places where Abraham Lincoln spoke or slept are easy to find in Illinois but are scarce in Danville. The town where Lincoln once stood in his stocking feet.

The unique site is a small, iron-grille balcony off the guest room of the beautiful old home of Dr. William Fithian, a pioneer doctor, educator and legislator from Danville.

The Vermillion County Museum Society has recently restored the historic Fithian home at 116 North Gilbert and opened in it a fascinating museum of interesting people and interesting things.

In addition to the Lincoln room, the museum includes the "Uncle" Joe Cannon Library; the Barclay Trousseau Room; a natural history museum and Dr. Fithian's own medical office.

Open Daily Except Monday. The museum is open daily, except Monday, from 10 a.m. to 5 p.m., and on Sundays from 10 a.m. to 5 p.m.

The historic little balcony where Lincoln delivered an impromptu speech while the War surgeon, in the side yard, houseguest of Dr. Fithian is a sure to become one of the most

photographed spots in Illinois. The grillwork banisters are the same which felt Lincoln's hands. The floorboards are the same type as those Lincoln is said to have stood upon in his stocking feet.

The incident was not recorded, historically, but pioneer families of Danville have always known the story of how a tired Lincoln arrived at the Fithian home Sept. 21, 1868, complaining of swollen feet.

He was resting in his upstairs bedroom when an admiring crowd gathered in the Fithian yard calling for him to say a few words. Who could question that the travel weary Lincoln didn't step through the low window and out onto the balcony without bothering to put on and lace up his shoes?

Whimsical Displays. Many of the Vermillion County Museum's displays are equally whimsical. In the "Uncle" Joe Cannon library his famous beaver hat and cane are on prominent display. On his desk is the actual gavel he used as Speaker of the U. S. House of Representatives from 1903 to 1911.

In Dr. Fithian's study are some of the actual medical instruments used by the Civil War surgeon. In the side yard, just as he had it, there is a herb garden, maintained by the

Danville Men's Garden Club with many of the same medicinal plants Dr. Fithian grew and used.

Probably most romantic of the Museum's treasures is the Barclay Room's display of fashions of 1878. They include the complete trousseau of Stella Barclay, an early Danville belle who died tragically, shortly before her wedding day. The rare dress collection has been kept intact and given to the Museum for permanent display.

Elsewhere in the spacious Fithian house there is an art gallery where both local and traveling art collections will be shown, a Natural History Museum and a parlor furnished in authentic 1890 furniture.

The Society issues a quarterly "Heritage" magazine that has been acclaimed one of the finest of its kind in the nation. Through its subscribers, voluntary contributions and memberships and museum admissions, the Society hopes to begin soon renovation of the exterior of its new Museum.

Other Points in Danville. With this house-of-the-past as a first step, there is much more of interest and pleasure in the bustling, modern city of Danville. It has three auto racing tracks, two roller rinks, six swimming pools and 60 industrial plants, some of which offer tours through advance request.

Newby is 1800-acre Kickapoo State Park with boating, fishing and primitive camp sites. It's unique terrain comes from early strip mine workings that dot the area.

For further information write the Danville Chamber of Commerce or the Vermillion County Museum direct.

Granite City PRESS-RECORD

Thurs., June 29, 1967 Page 11

3 Fire Hose Bids Under Study by GC

Three bids for fire hose were taken under advisement by the Fire and Water committees of the Granite City council Monday night.

Lowest of the three bids was submitted by the Venice volunteer fire department which serves as sales representative for the General Fire Hose Co.

The other bidders were Bilateral Fire Hose Co. and B. F. Goodrich Co. The Venice bids were \$262 for 200 feet of one-inch hose, \$55 for 500 feet of 1 1/2-inch hose and \$1872 for 1200 feet of 2 1/2-inch hose. The Goodrich firms bids were \$333, \$620 and \$2396, while Bilateral's figures were \$196, \$790 and \$2580.

Alferman Fry, chairman of the committee, said a recommendation will be made at the next meeting.

East St. Louis & Interurban Water Co. advised the city of installation of a fire hydrant at Baugher & Blvd. and Maryville road.

Approval was given for an expenditure of \$300 at the old main fire house, now the city defense headquarters for CD personnel to remove the radio room and secretary office. Purchase of two radio units at a cost of \$220 for CD purposes also was approved. A portion of the cost is to be reimbursed by the federal government.

Madison

MRS. LENNA WILLIAMS
1838 Sixth Street
TR 7-0317

The Madison Ladies Democratic club will hold its regularly scheduled meeting Monday evening due to the four-day Fourth of July observance in Madison. The club will meet the following Monday, July 10, at the Sportsman's club in Madison.

A birthday and farewell party was held Tuesday evening in the home of Mr. and Mrs. Benjamin Bosworth, 1885 Second street. June, daughter of Mr. and Mrs. Bosworth, is not four years old and her birthday was observed with a cake decorated especially for her birthday. Another daughter and her family, Mr. and Mrs. Charles Kossek and daughter, Colleen, who have been residing in Jacksonville, are leaving during the week to make their home in Manhattan, Ill. Kossek is now a state trooper.

Those at the Bosworth home were the honored guests and Mrs. Charles Bosworth and daughter, Margaret Ann, Mrs. Paul Bargiel and a daughter, Cathy, Mrs. Billie Bosworth and children, Joan, Curtis and Ellen, Adrene Humphrey, John Harrison, Beverly Bosworth, Robbie Bosworth, Fred Bosworth and the grandparents, Mr. and Mrs. Fred Plebenek.

4-H WIENER ROAST
The Merry Mitchellites 4-H club met Monday at the home of Mrs. Shirley Schilling. A wiener roast was held, and minutes and roll call were given by Sally Wells.
A demonstration and talk were given by Joann Metz. Others present were Gail Carper, Anna Schilling, Cathy Brown, Cathy Boyer, Cathy Sands, Loraine Jones and Donna Schilling.
CRADLE SHOWER
Mrs. Harry Breckner was hostess to a cradle shower Sunday afternoon at her home, 533 English place, honoring Mrs. Joyce Carrizales. Mrs. Breckner was assisted by Mrs. Jenny Cook. The decorations were in pink and blue, with a doll dressed in pink centering the gift table. A decorated pink and blue cake centered the refreshment table. Games were played and prizes were awarded to Mrs. Alberta Blackard, Mrs. Eunice Deber, Mrs. Katie Randa, Mrs. Delores Filkins, Mrs. Mary Schmitt and Misses Frances and Adele Breckner.
Others present were Miss Lin-

EDITORIAL

People Given Insufficient Time to Voice Opinions on State Tax Plans

By SEN. PAUL SIMON
As most of the readers know, a column like this must be written in advance of the final vote on the legislative session, nine days before the legislative session ends.

With hundreds of millions of dollars at stake, as well as a host of programs for schools, mental hospitals, highways, and other things, it is still not clear what kind of revenue program Illinois will have.

The Republican majority rejects the proposals for revenue by the Democratic governor. But where we go from there is uncertain.

This should be disquieting to many of our citizens when we consider that as I write this we're only nine days from the end of the legislative session.

This legislative session has made marked progress in improving procedures. Despite a record number of proposals—over 400 bills and resolutions—there is every evidence that the chaos that usually marks the end of a session will not be part of this one. This has been accomplished largely by establishing deadlines.

What is obviously needed are some new deadlines for receiving the governor's budget, for introducing appropriation bills, and for passage of revenue measures.

I hope that everything works out satisfactorily, but there exists a real danger that in the haste of the final hours of the session we may legislate that is ill-conceived and harmful, or that a battle could take place which would defeat all revenue.

History's Biggest Birthday Party In Progress North of the Border

(Patrol, Johnston, N. Y.)
Let's face it: Americans take Canada for granted.

We know she's there, big and woolly and next to great places to fish and ski, and we often see her name in headlines. . . you know, "New Cold Front from Canada," and the boys have fought beside ours in three wars since 1800, and she remains the biggest single foreign customer for our goods and services bearing the label "Made in U.S.A."

But even so, you couldn't say we really know a lot about our great northern neighbor.

Equally important, the citizens of Illinois will have virtually no voice in the final outcome of the revenue producing process, because what finally will be enacted will pass within a few days—perhaps even hours—after its introduction.

In a free society, public opinion can be wrong, but it should at least be heard.

We do our government an injustice when we follow procedures which deny Mr. and Mrs. John Q. Citizen the opportunity to write their legislators either approving or protesting pending legislation.

Hopefully, the next session can improve our current procedures. And, hopefully also, the end of this session will not be an unhappy one.

In this, my final column for this session, I want to thank you who are readers who have taken time to follow these writings each week and frequently have written letters of comment; the publisher of this newspaper, who might have devoted the space to other things rather than interesting people in what is happening in state government; and to my mother, who each week has faithfully distributed the column to newspapers requesting it.

I confess there are times in Springfield when it is frustrating to serve in the legislature.

But this is balanced by a sense of satisfaction received—occasionally doing some good—in knowing that there are many people around the state who really do care and who want good, decent, humanitarian government.

Circumstantial Evidence Can Be More Convincing Than Eyewitness

(Tri-City and Illinois Bar Associations)
Contrary to popular opinion, accused persons can and often are convicted of crimes on the basis of circumstantial evidence.

All evidence, whether it is circumstantial or testimonial, is evidence. The quality of the evidence, the competency of the witness, the judgment, memory and poise of the witness, and finally, the character and trustworthiness of the witness himself.

All testimony, whether circumstantial or not, must meet certain qualifications before it is admitted as evidence in court.

Snail's Pace on Sewer Bids Despite Promise to Voters of Immediate Start

An immediate start on new Granite City sewerage works was promised by officials in encouraging voters to support sewer bonds this spring.

Because this was emphasized—and because the drainage improvements are badly needed by city fathers will need to expedite the construction preparations as much as possible. Yet, the opposite is occurring. Hopefully, some progress will be made this Saturday.

It was originally announced that installation of sanitary sewers could start in June or July and construction of stormwater sewers could begin in August or September. If approval was given by voters in May, it was not that far off. The plan for North Granite, West Granite and Mercer drive sanitary sewers were already 99% complete.

The program was not voted until five weeks after the first election; this delay would indicate a possible July-August start on sanitary lines and September-October on stormwater pipes.

Instead, virtually no visible progress is being made, although the engineers undoubtedly are proceeding with the finishing touches on their plans and specifications.

Meeting after meeting is passing, with the council failing to reach "sewers" on its agenda, failing to effectively schedule "catch-up" special meetings, and then returning to the top of its committee list at the next regular meeting.

As anticipated, removal of 75 parking meters near downtown Granite City intersections has improved visibility for motorists and pedestrians.

Ending a situation in which parked autos blocked view of street signs and traffic lights.

But the change has sharply reduced the amount of parking space available in the business district.

Ending a situation in which parked autos blocked view of street signs and traffic lights.

district, putting added emphasis on the current feasibility study which has as its goal new off-street parking for which the federal government may contribute part of the cost.

In the meantime, the additional parking areas financed either privately or publicly may deserve serious consideration.

Redistricting Bills Put Spotlight on Rep. Smith's Future Governmental Role

Gov. Kerner faces an interesting decision regarding the Congressional reapportionment. Bills submitted to the governor, a Democrat, by the Republican legislature, and likely to be vetoed, would revamp Chicago area and southern Illinois districts in a way believed to favor the GOP.

Some Democrats say redistricting is not required until the 1970 census, but the other party disagrees.

One of the proposed districts possibly would make a Congressional bid tempting to Speaker of the House Ralph T. Smith, Alton Republican.

But if Rep. Smith decides against such a move, without the veto he will be walled out of the House.

There's many a slip 'twixt the cup and the lip," and probably neither Gov. Kerner nor Speaker Smith has fully decided what offices, if any, to seek in 1968. Still, much attention will be focused on the fate of the four redistricting bills forwarded to the governor last week, two of them co-sponsored by Rep. Smith.

Justified Emphasis on Attractive Neighborhoods, Convenient Facilities

The annual award program being established by the Southwestern Illinois Metropolitan Area Planning Commission will aid in spotlighting and encouraging the kind of recreational, commercial, industrial and residential development that can make this region more livable and enjoyable.

Aesthetic values are of considerable importance in attracting and retaining residents. And there is no question that such values will receive greater attention from designers, builders and families if they are accorded high priority by regional officials and planners.

The Quad-Cities and the Illinois Metropolitan Area currently contain wide differences in the appearance and convenience of their neighborhoods and community facilities. We hope less disparity and a higher general level result from such activities as the SWIMAPC award selections.

Maxwell Heading for Second World Series?

Dal Maxwell in the starting lineup, and a world championship for his team. This was the pattern in 1964, and the young athlete's Quad-City admirers are hopeful that it will be repeated in 1967.

Playing shortstop on a regular basis for the first-place St. Louis baseball Cardinals, Maxwell has tightened his team's important "up the middle" defensive strength—substantially bolstering the pitching staff's confidence and steadiness.

Maxwell's Cardinals teammates have won several games in succession last week.

A veteran of the Cardinals' seven-game World Series victory over the New York Yankees in 1964, he played second base in each game of that series after driving in two runs in the pennant-clinching contest.

Honored by local fans at the stadium last year, Maxwell may achieve a new honor this year—playing in a second championship series within a four-season span.

Workmen have been busy all week fitting new fixtures in the lobby entrance of the Washington Theatre building. New doors have been put up, an office placed in one corner of the lobby and other work done.

The local manager stated this morning that a large electric sign will be erected at once. It will be the first of its kind in the city and a 2-4 cent rate permitted by the Interstate Commerce Commission, litigation before Judge Foell in the State Court at Chicago yesterday was continued until Dec. 31. Passengers paying the higher rate will be given coupons calling for rebate in case the lower rate is upheld.

The Superior Products Co. has incorporated under the laws of Illinois for \$100,000. This is the first of a series of advertisements for a stock-selling campaign among local people.

25 YEARS AGO

JUNE 29, 1942
The June meeting of the Women's Society of Christian Service was held at Niedringhaus Memorial Church, with 33 present. Mrs. Alexander Roulund, vice president, was in charge and conducted the business portion of the program.

Mrs. Alice Bost gave a lesson on Gilling College, a girls' school in Shanghai, China. Refreshments were served by the business committee. Cards were won by Mrs. Vera Todd and Mrs. Shirley Stanfill.

The NIQ pinhole club was entertained by Mrs. A. J. Shannon in her home, 2154 Edison avenue. There were two tables and the evening was very enjoyable. Mrs. Stricker of Edwardsville, a guest, the hostess held the high score, and other prizes were won by Mrs. Carl Thurber and Mrs. Fred Roberts.

The NIQ pinhole club was entertained by Mrs. A. J. Shannon in her home, 2154 Edison avenue. There were two tables and the evening was very enjoyable. Mrs. Stricker of Edwardsville, a guest, the hostess held the high score, and other prizes were won by Mrs. Carl Thurber and Mrs. Fred Roberts.

Tax Rules Given on Child Support

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q. We have agreed to take a disturbed child into our family. How can we place her in a small amount each month for her food and clothing. Is that considered income for us?

A. These payments do not have to be reported as income unless they exceed the support you provide.

Q. You can claim the child as a dependent if she is a member of your household for the entire year. If you pay more than half her support, and if certain citizenship or residence requirements are met.

Q. I plan to return home to London this summer. What do I need to get a "sailing permit" from the U.S.?

A. You should know that your tax affairs are in order. To establish this, copies of your tax returns for the past three years as well as a statement of estimated income and expenses for 1967 should be brought to your local IRS office.

Bring your passport and re-entry permit, too, if you plan to return to the U.S.

These requirements are discussed in IRS Document No. 5389, "U.S. Tax Guide for Aliens." Send a postcard to your district director for a free copy. These requirements do not apply to U.S. citizens. However, any U.S. citizen delinquent in his tax payments should make arrangements for taking care of this obligation before leaving.

work fixing up the police headquarters. The police room is now arranged so that it will be much easier to handle prisoners while they are being booked.

Pursuant to the Supreme Court of the United States time to decide the passenger rate law of Illinois, two cents a mile as opposed to a 2-4 cent rate permitted by the Interstate Commerce Commission, litigation before Judge Foell in the State Court at Chicago yesterday was continued until Dec. 31. Passengers paying the higher rate will be given coupons calling for rebate in case the lower rate is upheld.

The Superior Products Co. has incorporated under the laws of Illinois for \$100,000. This is the first of a series of advertisements for a stock-selling campaign among local people.

Farm Column

By Warren W. Dandy
Madison County Farm Adviser

Pesticide Dangers

Most people realize that pesticides play an important role in the bountiful harvest of high-quality food and feeds.

But how dangerous are they? As a cause of accidental death on a national level—pesticides rank about the same as or lower than aspirin. But in Illinois they are an even less important cause of death, says University of Illinois extension entomologist Roscoe Randall.

On the basis of a nine-year average, transportation accounts for about 44% of accidental deaths on the national level. Fires claim 7.3%; falls on stairs, about 3%; and firearms, 2.5%. Pesticides claim 0.1%, while petroleum products and aspirin each claim 0.11%.

The 1980 to 1984 figures for Illinois show motor vehicles claiming 44% of accidental deaths; fires and explosives, 8.4%; falls on stairs, 2.9%; and firearms, 2.3%. Aspirin claims 0.27%; petroleum products, 0.45%; and pesticides, 0.02%.

But farmers and homeowners can still improve this record by reading and heeding the directions on pesticide containers. Chemical companies spend millions of dollars in research to insure the insecticide's effectiveness and safe use. But carelessness in application, storage or disposal can wreck a million-dollar program.

Most of the pesticide accidents in Illinois occur in the home where baits are used to control insect pests. A foundation spray around the outside of the house will keep most insect pests out. Contact your farm adviser for details on foundation sprays.

Rabies Declining

In Illinois, the number of domestic animals found to have rabies dropped from 117 in 1981 to 119 last year. Nearly two-thirds of these cases were wild animals, mostly skunks.

Rabies wild animals are more apt to bite pets and farm animals during the spring and summer, when wild animal activity increases, than during other seasons. Always be wary of wild animals around the farm or on hunting and camping trips, especially if you see them during daylight hours.

Vaccination of pets will protect them, and will help protect yourself, against rabies.

Moth Ball Problem

Keep moth balls away from children. Moth balls are poison, but they often look like hard candy to a child.

Each year, parents rush about 90 children who have tasted moth balls or crystals to their family doctor. Be sure to store moth-proofed woollens in a sealed box and remaining moth balls in a safe place.

Hogs have to lose most of their excess body heat through their lungs by breathing. They can easily become overheated when being shipped on a hot summer day.

To avoid losses, permit free air circulation by limiting the number of hogs per load. Avoid overexertion during sorting, loading, hauling, unloading and penning.

For bedding, use wet sand or sawdust—not straw. If delays are necessary, leave the truck where animals can get as much breeze as possible.

Assistant Farm Adviser

Chuck Rayburn has begun duties as assistant farm adviser in Madison county. Last year he was vocational agriculture instructor in the Highland Community Unit School.

His home county is Champaign. He graduated from Champaign high school in 1961 and from the University of Illinois College of Agriculture in 1966. He was a Future Farmers of America member six years and 4-H Club members 11 years, winning many outstanding recognitions in both organizations. He was national 4-H livestock judging champion in 1961, raising the highest-scoring individual in the national event at Kansas City.

His wife, Beth, teaches elementary music in the Highland Community Unit School at Grant Fork, Alhambra and New Douglas.

Rayburn will work mainly with 4-H Club and rural youth program in Madison county and will assist with part of the adult extension service educational program here.

Test Judging Skill

Madison county 4-H Club members tested their livestock judging skill at the recent county 4-H livestock and dairy judging contests at the Madison county fairgrounds, Highland.

Highest scoring members in the contest are reported by Chuck Rayburn, Madison county assistant farm adviser, as follows:

Dairy division—Ali Alhambra, DeCamp Miners 4-H Club; Gene Kuttin, DeCamp Miners; Ada Johnson, Fosterburg; Rose Bierbaum, Fosterburg; Karl Hoffmann, Good Producers; and Stanley Gehr, Good Producers. Livestock division—Eugene Klenke, Cloverleaf 4-H Club; Leon Dorsey, Bethalto; Tom Kruckeberg, Bethalto; Steve Ed-

Granite City PRESS-RECORD

Page 14, Thurs., June 29, 1967

erhart, Fort Russell; Steve Thurman, Eager Learners; and Jim Thurman, Eager Learners.

They qualified to represent Madison county at the state judging event at the University of Illinois.

Greenville dairyman Neal Turley, and Earl Peterson of Producers Live Stock Marketing Association, served as official judges. Russell Gehrb, Harold Thurnau, Joe Barth, Waldo Keilbach and Carl Baumann brought livestock to the fairgrounds, assisted by area truckers. Joe Geiger Jr. and Carl Baumann made the many arrangements for the contest.

Soybean Test Plots
Soybean variety test plots were planted in early June on the Delmar Croftland farm near Marine and on the Bergmann-Taylor Seed Farm near St. Jacob.

Varieties that can be observed at one or both locations are: Harosoy 63, Amsoy, Hawkeye, Bellatti Delmar, Cluster, XE-65, Shelby 68, Wayne, Adelphi, Clark, Clark 63, and Kent.

Fuel free to stop at the plots and compare varieties any time during the summer.

Yellowing of Corn

Several things can cause yellowing of growing corn. Flea beetles and thrips are two insects observed on corn that recently caused corn to turn yellow.

Flea beetles damage corn most severely before it is 10 inches tall. This insect is a black beetle about the size of a pin head and jumps when disturbed. Infested fields often need treatment to control the insect. With light infestations, corn outgrows the damage.

Thrips are much smaller than flea beetles. They are less than one-eighth inch long and very slender. They can be found in corn in most fields every year. Look for them deep down in the whorl. Corn that doesn't look just right may be heavily infested with thrips. Spraying seldom is necessary, because corn rapidly outgrows the damage. But finding them present may explain why the corn looks a little yellow.

Armworms Full Grown

Armworms are nearly full grown and a few are dying. As wheat matures, the worms may migrate to adjoining corn fields.

Some migration already has taken place.

At the first sign of migration, treat a strip one to two rods wide in the wheat and eight to ten rows wide in corn, using two pounds of toxaphene per acre. There are no restrictions on the use of the grain. Do not feed the straw or corn forage to dairy animals or livestock fattening for slaughter. Do not contaminate fish-bearing waters with toxaphene.

Top Herds in County

The ten highest producing herds in the Madison County Dairy Herd Improvement Association in May were owned by Waldo Keilbach, Harold Klenke, Martin Linenbroeker, J. W. Autry, Himler and Martin Schoenbaum, Jim Beane, Sam Dorsey, Eugene Meffert, Harold and Carl Baumann and Milton Hitz.

The highest producing herd for the month was owned by Waldo Keilbach. This herd consisted of 33 cows. The average production was 1.72 pounds of butterfat and 45.2 lbs milk per day with an average butterfat test of 3.8 percent.

Completing the 305 days lactation with a record of 6000 pounds fat or more was a four-year-old in the herd of Sam Dorsey with 16,569 lbs. milk and 601 lbs. fat; an eight-year-old in the herd of Harold and Carl Baumann with 18,170 lbs. milk and 635 lbs. fat; and a four-year-old in the herd of Vernon Becker with 14,743 lbs. milk and 613 lbs. fat.

Time for Fly Control

It's time to begin your barn fly control program before flies become too numerous.

Practice good sanitation. Eliminate fly breeding sites—such as manure, rotting straw, wet hay, and feed—as often as possible, preferably once a week. Spread this refuse where it can dry makes it unsatisfactory for fly development.

Apply a barn spray to point of run-off on ceilings and walls in all livestock buildings. Also spot-spray outside around doors and windows and along fences in the lot. The following insecticides are suggested for this purpose:

Dimethoate, 25 percent (Cygon), four gallons in 100 gallons of water will give four to six weeks' control.

Diazinon, 48 percent, two gallons in 100 gallons of water will give two to four weeks' control.

Diazinon, 50 percent wettable powder, 16 pounds in 100 gallons of water will give two to four weeks' control.

GC Tax Collection

\$218,719 in 3 Days

Granite City taxpayers had paid a total of \$218,719 in 1966 taxes up to late yesterday afternoon. City Treasurer E. R. "Pat" Rich said today.

Collections of Venice township taxes at the tax collection office in Madison totaled \$70,987 as of yesterday afternoon, according to town collector Frank Reiderberger Jr.

Granite City collections went into the fourth day this morning. Venice township collections at the old First National bank building, Fourth street and Madison avenue, began June 19.

Rich said Granite City collections will continue until the middle of August while Reiderberger said he will collect until the middle of next month. Delinquent shutoff dates will be announced later, he said.

Others, provide quick kill of flies during the fogging operation, but the effect is not lasting. When fly populations become intense, even twice-day fogging fails to provide satisfactory fly control for the farm—even though the insecticide deposit on animals to protect them from flies in pasture. Coarse sprays are best for this purpose.

HAVE YOU TRIED RED BARN'S NEW CHICKEN?

Plead Not Guilty

Two Madison women pleaded not guilty Tuesday afternoon to charges of theft under \$50 and were released on cash bond of \$50 each to appear later for hearing. Police said they arrested Shirley Brooks, 20, of 1218 Market street, and Patricia Brown, 24, of 1014 Douglas street, on charges of shoplifting several items of wearing apparel in Car's, Inc., 1305 Nineteenth street.

Others, provide quick kill of flies during the fogging operation, but the effect is not lasting. When fly populations become intense, even twice-day fogging fails to provide satisfactory fly control for the farm—even though the insecticide deposit on animals to protect them from flies in pasture. GC Tax Collection

\$218,719 in 3 Days

Granite City taxpayers had paid a total of \$218,719 in 1966 taxes up to late yesterday afternoon. City Treasurer E. R. "Pat" Rich said today.

Collections of Venice township taxes at the tax collection office in Madison totaled \$70,987 as of yesterday afternoon, according to town collector Frank Reiderberger Jr.

Granite City collections went into the fourth day this morning. Venice township collections at the old First National bank building, Fourth street and Madison avenue, began June 19.

Rich said Granite City collections will continue until the middle of August while Reiderberger said he will collect until the middle of next month. Delinquent shutoff dates will be announced later, he said.

4280 Highway 182
WE 1-2711

BRIDAL SHOWER FOR MISS VIVIAN FOX

A bridal shower was given Monday evening at No. 2 Kaseberg line in honor of Miss Vivian Fox. The shower was given by Caroline, Faye and Sharon Bennett.

Decorations were in white and pink, and included bells and two large cakes.

Refreshments were served to Mrs. Sandra Ray, Mrs. Hazel Smolar, Mrs. Judy Jones, Mrs. Dorothy Farrell, Mrs. Mattie Bennett, Mrs. Imogene Knick, Mrs. Caroline Butler, Mrs. Emily Pyle, Mrs. Neva Lucas, Mrs. Artrude Madison, Mrs. Edna Bennett, Mrs. Faye Perigo, Mrs. Leslie Crawford, Mrs. Lola Biggs, Mrs. Dorothy Biggs, Mrs. Joyce Lewis, Mrs. Dena Williams, Mrs. Rosemary McBride and Miss Phyllis Monroe.

MRS. KNUIT HOSTESS TO GOLDEN CIRCLE
The Golden Circle class of Pontoon Baptist Church held a monthly meeting Tuesday evening at the home of Mrs. Evelyn Knuit, No. 28 Westgate.

Opening prayer was by Mrs. Lucille Martin, who also gave the devotional, the 23rd Psalm. Mrs. Helen Wilkinson, president, presided.

Refreshments were served to Mesdames Letta Kalenburn, Rustel Smith, Norma Spurgeon and Myrtle Anderson and those named.

VISIT FORMER LOCAL RESIDENTS IN KANSAS
Mrs. Knuckles and children, Jack, Michael and Joe, 26 Lakeview drive, and Lisa Goutley and Francis Meyers returned there.

Others, provide quick kill of flies during the fogging operation, but the effect is not lasting. "PRICE WAR DECLARED"

Don't close your ears to the din of the Super-market battle. The retail food industry is in one of the hottest and heaviest price wars of all time—and you, Mrs. Consumer, may well be the only winner.

If a winner you are to be then why not be the big winner? If cash is what you care about then don't be silly enough not to trade with Tri-City Grocery Co. If, however, money is no object—forget us.

Our policy has always been to meet the lowest of our major competitors' prices, consequently we are lower on your total food bill. We are constantly checking our competitors' prices, floor, etc. We were quite amazed last Saturday when Green Beans against the comparable product of our competitors, that we were so much lower in price. Of the three comparable products checked, we were 5% cheaper than one brand, 10% cheaper than another and 25% cheaper than the third. We know this much difference is difficult to believe, but we will be glad to supply you with the names of the brands and the prices upon request.

This savings applies to only one item, thus if you multiply this savings by many, many items—how much do you save by trading with us? We do not wish to say that we are lower than all our competitors on all 7,000 items that we handle because it is impossible to check this many items constantly. But you can be assured that as soon as we find someone under-selling us, we meet their price. To satisfy yourself that we are winning the price war check our prices against our competitors yourself. And, please remember, we will be the last to hold the flag of price in the battle of the prices and this means the very last to increase our prices.

Four Radar Speed Arrests in GC

Arrest tickets on speeding charges were issued to four motorists yesterday afternoon and evening by Granite City police operating radar units.

Issued tickets at East 23rd and Henry streets were Violet Kimbell of Collinsville, John Gilchrist, no address given; and William Clasco, East St. Louis. In the 2200 block of Lincoln avenue, a ticket was issued to LeRoy Smith, 2642 Lincoln avenue.

Six Conditions Involving Safe Driving

"One thing is for sure, drivers all times to drive within the legal limits of the roadway. Just can't flaunt the laws of nature or repeal them when they bear down on the gas pedal," Raymond Christian, president of the Quad-City Safety Council, said today, when warning drivers in the Quad-Cities of the perils of vehicular speed.

"Instead," Christian said, "they should give thought to six conditions that should govern their driving, remembering at

ference between types of roads and road conditions. These differences persist throughout all of the six conditions which determine how fast we can drive safely at a given time or place.

"A little common sense and straight thinking should convince us that there is a difference between day and night driving and also between driving in a rainstorm or in sunshine. Likewise, there is a difference between types of roads and road conditions. These differences persist throughout all of the six conditions which determine how fast we can drive safely at a given time or place.

"Some drivers who pride themselves on never exceeding the speed limit have been killed and injured while traveling 30 miles per hour on icy roads when 15 miles per hour was as fast as they could safely operate. Other drivers try to drive at the posted limit when traffic is too heavy or they overdrive their headlights at night.

"It is impossible to enact traffic laws to fit every situation. When we violate natural laws, nature does her own policing. Punishment is swift, sure and terrible. No mercy is shown. There is no chance of postponement or ticket fixing. Ignorance of these laws is not accepted as an excuse. When we violate these natural laws, we are tried, convicted, and punished all within a few seconds. Safe driving demands that we adjust our speed to conditions."

BATTERED SAFE at Hub Drug Store pointed out yesterday morning by Ronald Clare, store employee. Patrolling police heard banging noises from the store shortly after midnight Tuesday and discovered the break-in. Three men were taken into custody.

Home Driveways are Danger Spots for Small Youngsters

Home driveways are not always a haven from motor vehicles for small children, cautions the AAA, Automobile Club, Illinois Division.

More than 300 children are killed and thousands injured each year while playing in home driveways, notes the AAA, and the victims usually under five years of age, often are struck by a car driven by one of their parents.

"These tragedies can be virtually eliminated," says the AAA, "with some added caution by parents and instruction by parents to children about the dangers of playing in the driveway."

When there is any remote possibility of children being in the area, motorists should take time to circle their vehicles and check under them before starting the engine.

Since most mishaps occur when the vehicle is being backed, drivers should check again before starting and maintain a sharp

look-out until the backing move is complete. Most drivers, says the AAA, will find the best view of both the driveway and the children is over their right shoulder.

The Auto Club warns against parking in a garage or driveway without setting the parking brake and gear. Also locking the vehicle, even in your own driveway or garage, will eliminate curious children tampering with the car and causing it to roll out of control.

says Mr. O. D. Hill

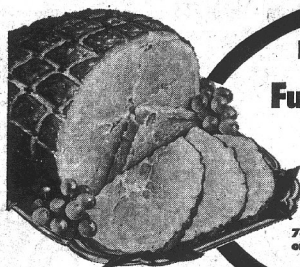

"I do all the shopping for our family — so I'm really aware of which store has the prices. That's why I shop Kroger — it's for baby food for our 10-month-old grandson. And those Top Value Food Stamps are a great way to save even more money. We've gotten spreads, and sheets and dolls for our ten year old daughter. So we think Kroger and Top Value Stamps make a real money-saving team."

MORE ABOUT Madison to

The addition of "another dump" in the area and objected to conditions at the existing Chouteau Island landfill which has been a long-standing source of controversy, primarily over conduct of the landfill's operation.

Mrs. Sally Segar, who lives at 140 Big Four road about two miles from the present Chouteau Island landfill, told the board as spokesmen for the group that landfill operations are encroaching upon the properties of all residents in the area, is "devaluing" their land and creating conditions that are hazardous to health, as well as making the area objectionable.

"Sinking in Garbage"

Mrs. Segar said, "We're sinking in garbage," and asserted the odor from the Chouteau Island dump can be smelled two miles away. She told her board that the proposed new dump would have boundary lines not more than 15 feet from the residence of Mrs. Louis Cinko, Rural Route One, Mrs. Cinko was a member of the delegation which also included Mrs. Dale Schanuel, Mrs. Daniel Warford and Mrs. Pearl Rippe, all living in the area near the Chouteau Island landfill and the proposed new dumping operation.

While some board members admitted the residents of the area had a problem, they suggested only that they hire an attorney to challenge the operations of the current Chouteau Island dump and the proposed new operation.

Walter Sparks, supervisor of Chouteau township, said he is opposed to any new landfills in the area and that he will take whatever steps are necessary to avert operation of the new landfill. The Chouteau Island landfill has been the target of official action by township officials during the past two years.

An amendment to the county's recently approved landfill ordinance regulating dumping operations, requiring bond and permit payments, scheduled for presentation at Monday's county board meeting, was not presented during the session.

Would Require Permit

The amendment would have provided that new dumping operations would require issuance of a use permit by the zoning board of appeals. The present ordinance does not prevent opening of new landfill operations in areas that are zoned as industrial districts so long as the operators meet the ordinance requirements and the land area involved meets approval of the state health department.

Land involved in the proposed new Chouteau township dump is in an industrial zone and therefore requires no recourse to the zoning board.

Clifford said the county board's Sanitation committee decided to hold up action on the amendment for revision of some of its conditions. He said as originally prepared, the amendment would have required a great number of use permits for industries who maintain their own disposal areas.

The permit for the new dump, Clifford said, was issued June 19, and passage of such an amendment in Monday's county board meeting consequently would not have affected the proposed new operation since the amendment was designed for new dumping operations.

Mrs. Segar asserted, however, that she and other residents of the area had been assured issuance of the permit to the new dump would be held up pending further discussion of their objections.

All Premature

Mayor Stephen Maestas of Madison said, "This is all premature. No lease has been signed yet. When it is, it will go through the city council and all the details will be made known."

The mayor said that a lease agreement is being prepared by attorneys, "But nothing has been signed yet."

Terms of a lease agreement have been discussed, he said, and include provisions for free dumping privileges for the city of Madison.

"This would be our main reason for leasing the land," the mayor said. "In addition the city of Madison will receive a good fee for rental of the land comparable to anything we have received in the past for sharecropping or other uses of land owned by the city."

Defends Permit

Clifford defended issuance of the permit for the new dump as a necessity created by the potential shutdown of from eight to ten dumps in Madison county within the next two months. In addition, he noted, the operators have met all requirements of the county's new landfill ordinance.

"I believe anyone willing to do the permit for the new dump as a necessity created by the potential shutdown of from eight to ten dumps in Madison county within the next two months. In addition, he noted, the operators have met all requirements of the county's new landfill ordinance."

Granite City PRESS-RECORD Thurs., June 29, 1967 Page 21

within the next few months. Because of their failure to meet regulations, four operators will be called in July 7 to show cause why they should not be shut down. Four more are to be called in July 24 and another four on July 31. We are positive that from eight to ten of these will have to shut down."

3 Years for Plans

Clifford said that the Chouteau Island dump, has a life expectancy of not more than one year. By that time, he said, the 22 acres in that area will be filled.

There is no possibility that the county can come up with any kind of waste disposal plan in less than three years, he said, creating a critical problem.

"Madison county is producing 600 tons of refuse a day," Clifford said. "What are we going to do with it during the next three years if we (the county) and the state close down about half of the 24 dumps located in the county?"

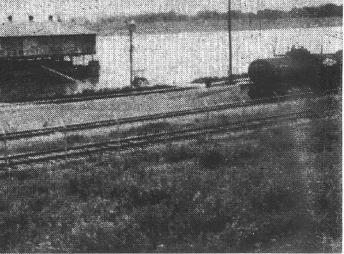

Clifford said also that conditions at the Chouteau Island landfill "have improved considerably." He said that fencing has been erected much of the refuse has been compacted and that generally the landfill operators are working toward meeting state and county standards.

Named to Deen's List

Miss Kathleen McDonald, a daughter of Mr. and Mrs. Raymond McDonald, 3066 Marshall avenue, has been named to the dean's list at Bradley University in Peoria where she was a freshman the past year.

RIISING RIVER inundates two rail storage tracks at the Granite City harbor of the Tri-City Regional Port District on the Chain of Rocks canal. The high stage of the Mississippi is not endangering the Quad-Cities area, authorities said today.

St. Louis; Juanita Rash, 523 English; Levi Rainwater, 2131 Dewey; Charlotte Stewart, 4015 Cayuga; Brent Montgomery, 2327 Pontoon; Alexander Currie, 2805 Herbert; Charles Kynison, 4357 Walter; Mattie Morgan, 2457 Dewey; Thomas Dayton Stephens, 2640 Madison; Edna DeForest, 3012 Dale; Elizabeth Petras, 702 Twenty-sixth; Lloyd Bailey, 2807 Roosevelt; Shirley Merz, 4245 Highway 162; Luanne Smalley, 2597 Sheridan; Norvel Thumore, 2300 St. Bernard; Kevin Lyles, National City; Omar Evans, 408 Sane, Madison.

Patients discharged Tuesday were:

Susan Awall, 5104 Rapp; Leo Bender, RR 1; Michael Cworon, 50 Bermuda; Buss Foster, 201 Lindberg; Venice; Pearl Guenther, 2407 E. 24th; Grace Glenn, 2109 Cottage; Mack Sykes, 2013 Dewey.

Steelworkers Local 16 To Install Officers

Newly-elected officers of Steelworkers Local 16 of Granite City Steel Co. will be installed July 11 at the Labor Temple. Vasil Mihov will be serving his sixth term as president.

In the local's recent election, Mihov won over Gerald Teller, 283 to 159. For vice-president, Bert Enfield, with 163 votes, won over Michael Mejaski, 145, and William Hecht, 121.

Earl Baker polled 211 for a narrow win over Brandon Mathis (206) for the office of recording secretary, while William Mihov tallied 216 votes to top George "Hoot" Gibson, 133, and Albert Barnes, 78, for the financial secretary post.

Everett Morien was elected treasurer with 348 votes to 73 for Glen Green. Stanley Hecht was elected judge, and Robert Rotter was named guard, with no opposition.

Three candidates for the three trustee posts also were opposed — Paul Ramsey, Donald Harshbarger and Richard Portell.

Named to the grievance committee were William Mihov, 334; Brandon Mathis, 257, and William Hecht, 226, over Robert Rotter, 169, and Richard Portell, 162.

Gibson, with 227 votes, was elected to the joint committee, while Edwin received 124 and Portell, 75. As an alternate, Morien received 207 votes to 124 for Hecht and 93 for Mejaski.

Officers are elected for three-year terms.

Sen. Simon to Speak Here on July Fourth

Carrying the message, "Ring out for Liberty," the church bell of Concordia Lutheran church, 23rd street and Grand avenue, will ring out for two minutes at the same time that the original Liberty Bell will be rung at high noon July 4 in Philadelphia.

During the observance immediately following the bell-ringing State Senator Paul Simon will speak to the assembly gathered before Concordia's church steps with the topic, "Keep on Ringing the Liberty Bell."

This is the fifth year that Concordia has rung its bell on July Fourth and invited the community to pause for a moment of religious-patriotic inspiration.

Senator Simon will address the assembly from the church steps at the end of an observance which includes hymns and prayers for the Nation led by Concordia's pastor, the Rev. Aron Twittemeyer.

The flags of the Nation and the church will be posted five minutes before the bell ringing. Mrs. Toni Hunter will be the soloist.

Bend Road News

MRS. EILEEN ROBINSON
TR 6-5268

The Ladies of the Women's Missionary Union of the Bend Road Baptist Church met this week. Their theme was "Churches Form a Convention, Utah and Idaho."

Present were Mesdames Lena Buckingham, Bonnie McDowell, Emma Perrin, Mildred Russell and Ella Mae Whit.

A farewell party was held Wednesday at the Bend Road Baptist Church for Mrs. Katie Faircloth.

Mrs. Faircloth and her family are moving to Fort Campbell, Ky.

Games were played and prizes were awarded. Favors shaped like hobo bundles filled with candy were used.

The party was given by Mrs. Joann Robinson.

Others present were Mrs. Henry Ezell sr., Mrs. Henry Ezell jr., Mrs. Loretta Tagge and daughter, Barbara Jean, Erma De Perrin and daughter, Debbie, Mrs. Joanne Chick, Mrs. Martha Irvin and daughter, Peggy Sue, Mrs. Neva Ezell and Mrs. Vivian Hull.

**FIRE DEPARTMENT
OPEN HOUSE, PICNIC**
The Horseshoe-Bend volunteer fire department held an open house and picnic Sunday.

Workers at the picnic were Ervin Mueller, Eva Mueller, Charles, Bob, Gene, Janie and Mary Martha Mueller, Mr. and Mrs. Don King, Mr. and Mrs. Joe Robinson and Mrs. Georgia Berger.

Painting was done on the fire house before the picnic and a kitchen unit was installed.

Mr. and Mrs. John Ragsdale and Mr. and Mrs. Don Parker returned Sunday from a week-end fishing trip in Kentucky.

2037 Quincy; Earleen Malone, 3314 Maple; William Mezo, 2408 Glen; Anna Milosevic, 2024 Fourteenth; Anna Rainwater, 2819 Namsok rd.; William Redmond, 1536 Pontoon; Paul Riegle, 1930 Cleveland; Nance Roth, 3222 Erin; Linda Rozyczki, 1126 Greenwood; Madison; Clement Spirito, 910 Niedringhaus; Gladys Steelman, 2512 Dale; Stephen Wallace, 2014 Edwardsville; Madison; Michael Washington, St. Louis; Lillie Weston, 2620 E. 27th; Sheri Williams, 3841 John Glenn; Grace Glenn, 2109 Cottage; Mack Sykes, 2013 Dewey.

Dozen Teachers Named to 1967-68 Granite City Staff

The Granite City school board employed 12 teachers for the 1967-68 school year Monday night. The new faculty members are: Mary Ellen Dingerson, Belleville; 1967 University of Illinois bachelor's degree, English classes; Miss Sandra Kay Finke, 2555 Benton street, SIU bachelor's degree, mathematics; and Miss Mary Ann Rich, 3310 Wabash avenue, 1967 Eastern Illinois U. bachelor's degree, art.

Junior high schools—Miss Cecilia Jeannette Markuly, Madison, University of Illinois bachelor's degree and one year of teaching. Coolidge science; Thomas James Turner, Madison, 1967 SIU bachelor's degree, Prather English and social studies; Roger Jerome Waldrup, Sparta, an Ada, Okla., bachelor degree and seven years of experience. Coolidge industrial arts; and Lawrence Theodore Noeth, 3221 Wabash avenue, bachelor degree and two years of teaching. Frohman high mathematics. Noeth's father and three uncles also are faculty members in the district.

Elementary schools—Mrs. Barbara Liu Houston, 2816 Ralph street, SIU bachelor degree and one year of teaching. Frohman third grade; Miss Kathryn Ann Lenz, Springfield, Ill., Murray State College bachelor degree and two years of experience. Niedringhaus first grade; and Mrs. Ertha Ann Scott, 2723 Harvey place, University of Illinois bachelor degree and 11 years of teaching. Maryville grade school.

Other faculty positions—Mrs. Sandra Joanne Dawson, Collinsville, Elmhurst bachelor degree and three years, speech therapist; and Miss Carole Lee James, Griffith, Ind., University of Indiana master degree, elementary hand classes.

Five resignations announced included two Stallings grade school teachers, Mrs. Mildred Ruff, Collinsville, a fourth grade instructor, whose husband will be employed in Springfield, Ill., and Mrs. Carol McAvoy, Caseyville, a first grade teacher, who is moving to Bloomington, Ill.

Also resigning are Mrs. Shirley Claxton, who has been on leave of absence and is resigning to continue caring for her year-old infant; Miss Wanda Wanda Collinsville, a GCHS art teacher, who is accepting a position nearer her home; and Mrs. Dorris Jenkins, Maryville, Mitchell first level teacher, whose husband has been assigned to Johnston City, Ill.

With a new state law on minimum teaching pay going into effect July 1, the board revised the salary schedule accordingly. The change affects only one teacher, Supt. Bob J. Davis reported.

Higher Minimum Pay
House Bill 79, signed by the governor, sets beginning minimum annual salaries at \$5000 for non-degree teachers, \$5500 for those with bachelor degrees and \$6000 for those with master degrees. It requires additional pay of \$500 (no degree), \$525 (bachelor degree) or \$750 (master degree) after five years; \$1000 (bachelor) or \$1200 (master) after eight years; and \$2000 (master degree) after 13 years of service.

"This affects Granite City in Mitchell, Stallings and Maryville schools was authorized.

Granite City PRESS-RECORD
Thurs., June 29, 1967 Page 23

at the first and sixth years," Supt. Davis explained. Beginning pay for a non-degree teacher was increased from \$4850 to \$5000, and present sixth-year pay for a non-degree instructor was boosted from \$5350 to \$5500.

Noting that soccer will be established as a high school varsity sport during 1967-68, the board set extracurricular pay for the coach at 6.5% of basic salary, increasing to 1% in a series of yearly steps.

Permission was given to the Granite City park district to use the Niedringhaus grade school blacktop area for an outdoor dance Saturday night, July 1. A band will play from a flat-bed truck near the school.

The Vote on Bid

The board deferred action until the next meeting July 10 on high school and junior high candy and soda vending bids and on potato chip bids.

A motion to accept a bid from Best Wholesale Co., one of three firms bidding on furnishing potato chips, failed Monday night on a 3-3 vote. Dr. E. W. Walton, Carl Macios and Ronald Dillard favored accepting the Best bid, while opposing it were George Moore and William Harris and President Monroe Worthen. Royce Jimmons was absent.

The K&M Foods Co., 1954-46 supplier, submitted a bid similar to that of Best, 1966-67 supplier, but was low bidder on the basis of a 1% discount for payment within 15 days. The discount was estimated as \$83.

It was noted that the school district temporarily halted purchase of chips from Kas Nov. 9, 1965, later receiving acceptance of shipments.

Also deferred Monday night was acquisition of a condensate pump and hardware supplies. Bids received were rejected, and new proposals will be sought. The pump bids varied from specifications, and on the hardware only one complete bid and one partial bid were received.

Bid Awards on Supplies

Bids were accepted on: Biscuits, Schaefer & Burch Biscuit Co., supply source at bid prices.

Bakery goods (bread and buns), Freund Baking Co., supply source.

Cupcakes and similar pastry, approximately equal purchases from American Bakeries, Continental Baking and Dolly Madison, each of which has a different line of products.

Ice cream, Shearburn Ice Cream Co., supply source.

Cafeteria laundry, Morgan Linen Supply, four cents for each towel, 15 cents per pound of rags and 12 cents for each apron.

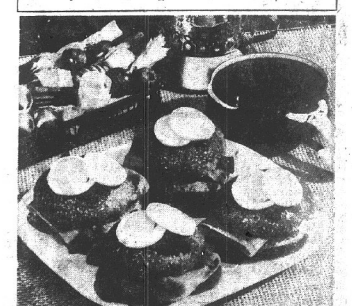

Glass, Pittsburgh Plate Glass Co. on four types and Hadley Dean Co. on two categories.

Painting supplies, Fagan's Paints, for outside white paint, floor enamel and clear finish; Harry's Paint Store for black sash enamel, red enamel, glazing compound and white lead putty; DeWitt Paint Co. for paint brushes; U. S. Paint Co. for turpentine and Sherwin-Williams for zone paint. Bids will be sought on several types of latex paint, including a type needed to meet Life Safety Code requirements.

Football practice shoes, Viking Athletic Shoes, \$6.25 each for 100.

An attempt to negotiate a refuse pickup arrangement for the Mitchell, Stallings and Maryville schools was authorized.

Flavorful Canned Mushroom Gravy Perks Up Ham Sandwiches

Chances are you'll have the opportunity to welcome a new family on your block this spring or summer. Americans are on the move.

So introduce yourself with an invitation to a patio hot sandwich supper. The tired, hungry neighbors will accept your welcome gladly.

Prepare a tempting platter of hearty ham sandwiches topped with hot spicy mushroom gravy. Ingenuity proves itself again and turns the good old American ham sandwich into a delightfully different supper.

Simply saute onions, green pepper, and curry in butter until tender. Add a can of mushroom gravy and heat. In matter of minutes you have a deliciously different party sauce to go over top of the bun. To round out the welcome, arrange a relish tray of munching material. It's a real short-order meal for hard-working newcomers.

HAM SANDWICHES WITH MUSHROOM GRAVY SAUCE

1/2 cup chopped onion
2 tablespoons chopped green pepper
2 tablespoons butter or margarine
1 can (10 3/4 ounces) mushroom gravy
1 hamburger bun, split and toasted
Chopped cheddar cheese, sliced

In saucepan, cook onion, green pepper, and curry in butter until vegetables are tender. Add gravy, heat. Meanwhile, spread 4 bun halves with chutney; top with sliced cheese. Place remaining bun halves on ham. Pour gravy over top; garnish with egg. Makes 4 sandwiches.

100 More Buses To Get Radios

Bi-State Transit Co. will equip 100 more buses with two-way radios at a cost of \$10,000 in a continuing effort to cut down holdups of bus drivers and improve operations. It was announced yesterday at a meeting of the Bi-State Development Agency.

Installation of two-way radios, together with flasher lights to signal police for help, protective shields behind drivers and use of armed guards on selective runs have combined to decrease the number of driver-holdups more than 50% in the past 12 months compared with an earlier operating period, a transit company spokesman said.

The favorable report on two-way radio usage heard by the Bi-State commissioners was offset by the announcement that no definite date can be set for the public opening of the Gateway Arch transportation system. Once set for this spring, the opening was later scheduled for late June or early July.

Commissioners reviewed an engineering survey of uncompleted work on the St. Louis riverfront Arch prepared by Sverdrup & Parcel and Associates engineering consultants, which listed 30 items still requiring completion. Seventeen items were listed in an "A" group, which the consultants said must be done before the system could be opened to the public. Six were in a "B" group, termed necessary for continuing public operation, and 12 were in a "C" group, which the engineers called "desirable" improvements to be made while the system was being operated.

Acting Board Chairman Robert S. Knapp told the commissioners, "We are not going to operate this system until we have every assurance that the recommendations of the engineering report are being complied with."

R. E. Smyser Jr., Bi-State executive director, told the board that he met with the National Park Service Tuesday and reviewed the latest in the engineering survey report. He said that LeRoy R. Brown, superintendent of the Gateway Arch Memorial, declined to give a specific date by which any of the corrections would be made.

Among the major items studied by the engineers, Smyser said, were splices in the rails on which the Arch train will ride. Bi-State engineers believe, the director said, that the splices should be strengthened for additional safety.

Present plans call for beginning operations with the train system in the north leg of the Arch for about 90 days while work on floors and automatic ticket equipment is completed in the south leg. The transportation system would then be used in the south leg, while similar projects are then completed in the north course.

Levi Rainwater, 90, Dies; Retired Carpenter

Levi Halloway Rainwater, 90, of 2318 Dewey avenue, a local resident 44 years, died yesterday at St. Elizabeth Hospital. He had been ill one week and was hospitalized one day.

A native of Dover, Tenn., Mr. Rainwater had retired several years ago from General Steel Industries, where he was employed for many years as a carpenter. He was a member of the Dewey Avenue Methodist Church and a 69-year member of the Moriah Grove, Tenn., Lodge.

He is survived by his wife, Ella; one son, Jesse Rainwater of Granite City; two daughters, Mrs. Lotie Squires of Granite City and Mrs. Frances Ronney of Indianapolis, Ind.; two brothers, Lorton Rainwater, Decatur, Ill., and Walter Rainwater, Erin, Tenn.; four sisters, Mrs. Nannie Wheat, Mrs. Bertha Voss and Mrs. Manie Hickman, all of Granite City, and Mrs. Sallie Sexton of Tennessee Ridge, Tenn.; 15 grandchildren, 27 great-grandchildren and three great-great-grandchildren.

Funeral arrangements are given in today's obituary column.

Madison Rotarians End Year, May Visit SIU-SW

Madison Rotarians yesterday conducted a business session in concluding their 1966-67 year. Retiring President Wayne Scannell presided and new President Harvey Miller announced committee assignments.

A possible evening dinner meeting and tour at the SIU-SW campus was discussed, and it was noted that membership rose from 28 to 33 during the past year.

General Synod Report
A report on the National General Synod Meeting of the United Church of Christ, ending this week in Cincinnati, O., will be given by Rev. Paul Surbey, a delegate, at the 9 a.m. and 10:20 a.m. services Sunday at St. John United Church of Christ. He served as chairman of the World Ministries subcommittee on personnel and interpretation with topics including Middle East war refugees.

Farm Bureau Women Announce Wool Contest

Mrs. Norman Klueter of Edwardsville, chairman of the Madison County Farm Bureau Women's committee, this week announced the 1967 "Make It Yourself With Wool" contest will offer nation-wide winners top prizes, including a trip to Rome, Athens, Madrid and the Greek Isles.

Preliminary rules for the contest require that each entrant construct a dress, suit or coat from 100% American loomed wool and model the garment in one of nine district contests in Illinois. A complete list of contest rules and entry blanks is available at the County Farm Bureau, 900 Hillsboro avenue, Edwardsville, where the district competition will be held Saturday, Oct. 21.

Three divisions of the contest are available—junior division for girls age 14 to 16; senior divisions, 17-21 years; and adult division for those over 21. The top winner in the junior or senior divisions of the state contest will

More Than Half of County Aid Cost for ADC

Public aid payments to Madison county recipients during the first four months of this year totaled \$1,883,948, with more than half of the funds going to clients of the Aid to Dependent Children program, a compilation of Illinois State statistics showed today.

Figures based on monthly reports released by the Illinois Department of Public Aid also show a month-by-month increase in the total number of Madison county public aid recipients who receive assistance in five separate categories. The total number of recipients in all five classifications of public aid stood at 7338 in January, increased to 7783 in February, moved upward to 8182 in March and was 8407 at the end of April.

represent Illinois at the national finals in January 1968 at Dallas, Tex.

The Illinois Farm Bureau Women's Committee annually sponsors the state contest with cooperation from the American Wool Council, Women's Auxiliary to the National Wool Growers and the Illinois Purebred Sheep Breeders Association.

While the number of public aid clients increased steadily during each of the four months, February aid payments showed a slight drop below the January total, but jumped substantially in March and again in April.

Costs Drop, Then Rise

The 7338 aid clients on public aid rolls in January received a total of \$412,186 in all five classes of assistance—old age pensions, aid to dependent children, blind assistance, disability pensions and general assistance (direct relief). In February, total aid payments dropped off to \$402,063 for an increased number of recipients, totaling 7783.

In March, however, the number of clients continued to increase for a total of 8182, and aid payments for that month jumped to \$419,078.

The April report shows further increases in both the number of clients and the total of aid payments—\$407 and \$430,931.

For the four-month period of January through April, the total public aid payments of \$1,683,084 included total payments of \$886,443 to ADC clients, or 53% of the

Overall aid payments.

Monthly payments in this classification showed a reduction in payments during February, but an increase in the number of recipients. January ADC payments amounted to \$218,677 for 4427 clients. In February the number of clients increased to 4520, but the aggregate payments dropped to \$208,226.

March payments jumped to \$227,817 for 4766 clients, while April payments amounted to \$243,723 for 5100 recipients. Thus ADC payments in Madison county increased in April by \$27,046 for 673 more clients than were on the rolls in January.

Age Pensions Down

Old age assistance payments were in contrast to those for ADC. The number of old age recipients decreased steadily from January through April, while the April payments for that purpose showed a slight drop from the January level.

January payments for old age assistance amounted to \$87,887 for 1468 clients, dropping slightly to \$87,468 for 1457 clients in February, and \$87,352 for 1440 clients in March. April payments dropped to \$84,196 for 1424 clients.

Biggest decline in public aid payments during the four-month period was for disability pensions. While the number of disability clients increased from 989 in January to 827 in April, 963 in March.

Improper Muffler

Gleason Knox Jr., 2445 Edwards street, was issued an arrest ticket Monday at Johnson and N. roads on a charge of operating a motorbike with an improper muffler.

The amount of payments declined steadily from \$83,109 in January to \$64,351 in April.

State reports show disability pension payments to the 590 clients in January, amounting to the \$83,109 figure, dropped to \$74,841 to 607 clients in February; declined further to \$72,940 for 625 clients in March, and the \$64,351 figure for the 627 April clients.

Show Slight Change

Only slight change occurred in the monthly level of blind assistance payments which amounted to \$2793 for 35 recipients in January, and stood at \$2497 for 34 clients in April.

General assistance payments amounting to \$21,369 were allotted to 811 recipients in January, but in February the number of recipients jumped to 1165 and payments increased to a total of \$28,725. In March, the number of clients jumped again to 1299, but payments fell off slightly for a total of \$27,494.

On a state-wide basis, April public aid payments amounted to \$27,039,402, compared to \$27,582,534 in March and \$25,486,056 in April of 1966. The public aid rolls also increased for a total of 434,320 recipients, compared to 431,769 in January to 627 in April, 963 in March.

Dr. Snider is Honored On 10th Anniversary

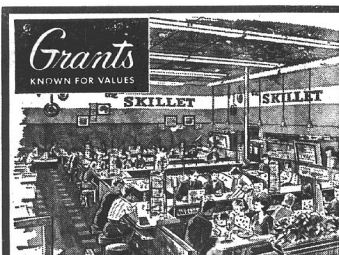

Dr. Wilbert Snider, who began his tenth year of service as pastor of Calvary Baptist Church this week observed the event at a surprise fellowship meeting arranged by the congregation.

The occasion was also in observance of the birthday of the pastor and Mrs. Snider figured in the celebration as her birthday is three days later than her husband.

Dr. Snider came to the local church from Kingshighway Baptist Church, St. Louis, where he led the church in a half-million dollar building program. During his nine years here, he has led the Calvary Church in building an air-conditioned auditorium with padded pews, carpeted walls and a seating capacity of 700. During his pastorate here two missions which were started by the church have become self-operating churches with full time programs.

The Educational Building has been partly renovated and brought up to a new building status with the rest in the process of the same treatment. New furnaces operating on sectional basis also have been installed and are in operation.

The Sniders, who reside in the parsonage at 3117 Willow avenue, have two children, Byron Dee, who will be a senior at Southern Illinois University this fall, and Jennifer Diane, a sophomore at the Granite City high school.

Call Bids on Clearing FA 151 Right-of-Way

Bids for razing three frame structures on state-purchased right-of-way for Federal Aid Route 151 will be received until 10 a.m. July 24 at the district office of the Illinois Highway Department at French Village.

The proposals cover sale and removal of the buildings, including a 24 by 30 foot frame residence at 2338 Denver street, a 24 by 38 foot frame residence at 2337 Denver street and a frame garage of 500 square feet. Bids on both residence structures have a minimum of \$400, while a minimum bid of \$20 is set for the garage.

Each bid must be accompanied by a guarantee performance deposit of 10% of the bid price, or in the amount of \$50 when the bid price is less than \$500. Bids will be opened immediately after the 10 a.m. July 24 deadline at the French Village highway office.

Daughter Born To Padgett

Mr. and Mrs. Walter J. Padgett, 2717 Idaho street, are announcing the birth of a daughter Monday evening at St. Elizabeth Hospital. The baby weighed eight pounds, four ounces and has been named Ann Elizabeth.

Mrs. Padgett is the former Judith Carragher, a daughter of Mr. and Mrs. Emmet H. Carragher, 2705 Idaho street. The paternal grandparents are Mr. and Mrs. Walter Padgett, 1716 Garfield avenue.

On Wilson Park Stage

'Death of Vaudeville' Tonight 'Under Stars'

At least a few Quad-Cityans may be transported back to the golden decades when "The Death of Vaudeville," a musical comedy, gets under way in Wilson Park at 8 p.m. tonight.

The program, second of the "Music Under the Stars" presentations in Wilson Park, is under the direction of Warren G. Simpkins, Granite City high school music instructor, and is sponsored by the Granite City park district. It is open to the public free of charge.

"The Death of Vaudeville," written and composed by Weiser Davis-Polhanus of Hollywood, "is built around the theme of the good old days of vaudeville and includes song and dance routines and snappy patter," Simpkins said.

Featured performers will be Philip Spiceland as master of ceremonies; Bob Gibbs as Harry Norton, the Magnificent Monologist; James Fitzpatrick as Jerry, the strong man; Jerry Doyle as Al Fuller, singing "A Song of Love"; Terry Moore and Kenny Graham as Danny and Freddy; Bertie Baker and Thomas Ray as Marsh and Morgan in "The Memory School"; and Ed Weston and Patti Siebert as Fuller and Barton in song and snappy patter.

City Joins C. of C. To Honor Army Depot

City officials will join the Tri-Cities Chamber of Commerce in honoring the Granite City Army Depot in observance of the depot's 25th anniversary here this summer.

Approval was given two requests by the C. of C. for a parade through the Quad-Cities on Aug. 1 and for a parade presentation to the depot.

Howard Kaseberg, C. of C. president, requested the parade permit, and Carl Mathias, chairman of the C. of C. military affairs committee, suggested an anniversary plaque. Mayor Parney was asked to arrange for the plaque.

Two-Truck Accident

Two pickup trucks being operated north on Edwardsville road collided Monday afternoon where the two lanes narrowed to one because of barricades. The operators were Sherwin Martin, 2173 Harrison street, and William Heil, 773 Madison avenue. Police said there was damage to the left side of Martin's truck and to the right side of Heil's truck.

Special Sewer Tax is Rejected By GC Council

A special tax levy of \$100,000 to wipe out a \$100,000 deficit in the maintenance of sewer fund failed to gain sufficient support by Granite City council members Monday night.

The special tax needed a two-thirds vote of the council for approval and was one short—10-to-5, Alderman Ford Johnson was absent on vacation.

Council members were warned by City Treasurer E. R. "Pat" Rich that under the law he could not issue checks for any pay-

Granite City PRESS-RECORD
Page 32 Thurs., June 29, 1967

ments from the special account as long as it was in the red, and that if money was borrowed from the working cash-fund, it was necessary for the council to repay that fund as quickly as possible.

The sewer maintenance fund deficit has been long standing, since the city had expensive sewer repair jobs on 20th street and in the Nameoki area several years ago. With construction of the sewage treatment plant, it was necessary to cut the \$200,000 deficit to the present level to meet bond buyers specifications.

Rejected Every Year
Objectors to the special tax pointed out that attempts have been made every year for the levy, resulting in failure, and the city hasn't suffered yet.

Alderman Rutledge, chairman of the Finance committee, said the only other way to wipe out the deficit would be to take money from the \$212,808 sales tax reserve. "It looks like we're going to need that sales tax to operate the city this fiscal year," he added. The total tax for an average resident would be \$3.50 for the year, he told council members.

Protests were voiced that Granite Cityans are paying enough taxes now. "The older people have just received their tax bills along with everyone else, and they feel Granite City is at its tax limit," Nann remarked.

Voting for the special tax were Aldermen Dallas, Moerlein, Whitmer, Boyd, Green, Rutledge, Fry, Parmley, Jarrett and Dawes. Opposed were Bartosink, Peoules, Basarich, Nann and Robertson.

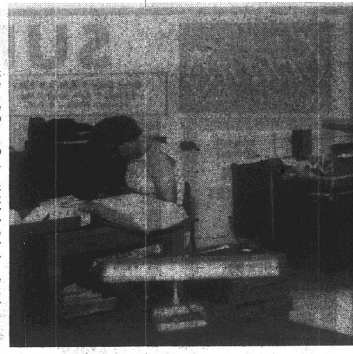

Financial Report
The monthly financial report submitted by Comptroller Robert Stevens for the first month of the new 1967-68 fiscal year showed a slim balance of only \$2519 in the 17 accounts of the general fund. The special accounts had a total balance of \$339,037 on May 31.

Expenditures from the general fund in May amounted to \$117,440. Income included \$49,989 from licenses and a carryover balance of \$85,970.

Of the 17 general fund accounts, nine showed May 31 deficits, ranging from \$20,202 in the police department to \$1598 in the city hall account. The largest fund balance was \$21,840 in the street department which receives revenue from city auto license sales.

The deficits are expected to be wiped out shortly, as the collection of 1966 taxes was started this week.

NEW OFFICE for comptroller Robert Stevens and his staff is in the former city council meeting room on the second floor of the city hall. The large room was divided to provide space also for the magistrate court.

Clerks in the office are Mrs. Mary Schaffner (left), Mrs. Isabelle Crnkovich and Mrs. Helen Shepard (foreground).

By Press-Record Staff Photographer

GETTING SETTLED in new quarters for collection of sewer rental fees and sewage treatment fees is Mrs. Edith Ryan, clerk, who is accepting a payment from Robert Astorian, a policeman. Standing in the background is E. R. "Pat" Rich, city treasurer. The sewer fee collection office now is in the quarters formerly occupied by the comptroller. Rich is collecting 1966 taxes in his regular office.

Air-Taxi Service
Explored at SIU Meet

The air traffic jam squeezing the nation's airports could be relieved by a new type vertical takeoff and landing (VTOL) helicopter—half airplane is now under development by his company.

He said the craft, which is expected to be operational by the early 1970's, would carry 30 passengers at 250 miles per hour for distances up to 250 miles nonstop. It could take off and land at midtown "vertiports." He predicted even larger and faster models for the future.

The Airports Conference is being held to explore the problems and potentials of third level aviation, commonly called air-taxi or commuter service. According to Alexander R. MacMillan, director of the SIU Transportation Institute, the growth of this type aviation has been phenomenal in recent years due to the advent of the "big jet," which has made it impossible for larger airlines to use many air fields.

ST. JOHN LUTHERAN HOLDS FAMILY PICNIC
Members of the Married Couples club and the congregation of St. John Lutheran Church, St. Clair avenue at Dale avenue, attended a family picnic at Pere Marquette State Park near Grafton on Sunday afternoon.

The group enjoyed entertainment by the Cahokia Mounds Indian dancers, games, horse-shoes and baseball games. Cooking barbecued meat outdoors for the group were O. T. Potter, Elmer Eckert and Edward Settle-muir.

Attending the picnic were Rev. and Mrs. Samuel Boda and family, Mr. and Mrs. Mike Greco and family, Mr. and Mrs. Settle-muir and family, Mr. and Mrs. Rudy Diak and family, Mr. and Mrs. Grace Harmon and family, Mr. and Mrs. Bill Kiefer and family, Mr. and Mrs. William McGowan and family, Mr. and Mrs. Richard Link and son, Mr. and Mrs. Joe Azari and family, Mr. and Mrs. Curtis Hall and family, Mr. and Mrs. Potter and family, Mr. and Mrs. Frank Roberts and family, Mr. and Mrs. Charles Gilmore and family, Mr. and Mrs. Eckert and Mr. and Mrs. Harold Hackney and family.

In addition to discussions of vertical takeoff and landing (VTOL) and short takeoff and landing (STOL) craft, other topics being explored during the three day meeting include: the state's role in serving aviation, federal programs of airport aid, lighting systems, insurance liability risks and protection, and the impact of general aviation.

Why We Cannot Renew Some Prescriptions

Because the continuous ticking of some medicines, without medical supervision, can be dangerous. Subject to the law, the privilege to renew a prescription rests with your physician. For many drugs, if your original prescription does not specify renewal privileges, we cannot do so.

Certain drugs in prescriptions may never be renewed. A new prescription is required. A 1960 law limits the renewability of many drugs previously obtainable. We will protect you by obeying this law and consulting with your physician whenever it is necessary to obtain a renewal privilege in an emergency.

YOUR DOCTOR CAN PHONE US when you need medicine. Pick up your prescription at shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Pontoon Village Police To Get New Squad Car

The Pontoon Beach village board of trustees met Monday night and reviewed six bids for a new police car.

The lowest bid was submitted by Knowles Ford, Inc., Edwardsville, which specified a new Ford police cruiser complete with air conditioning and power brakes and a steering, Thomas Stainoff, mayor of Pontoon Beach village said.

A special meeting of the trustees is to be called to draw up the contract for the squad car.

Pontoon Beach village, which at present does not have an official squad car, should have one by September, Stainoff said.

Norman Laliberte Show At SIU-SW Begins Friday

Works by the well-known artist Norman Laliberte will be on exhibit Friday through July 21 between the hours of 8 a.m. and 5 p.m. in the lobby of the Communications Building at Southern Illinois University - Southwestern campus.

Arranged by the art and design faculty of the Fine Arts Division, the show will include a number of brightly colored banners, ranging in size to about six by eight feet, Craypas drawings, described as having a rich stained glass quality, and posters designed by Laliberte.

City to Hear Appeal On License Denial

Granite City council members decided Monday night to exercise their new authority as an appeals board for city code problems.

The decision was made after a letter was received from the city attorney, George Pilcuff Jr., who has a client objecting to the city code pertaining to electrical work.

The letter from Pilcuff stated that Robert L. Matejka of Matejka Electric Co. had been denied registration and a license to do business in Granite City by the city electrical inspector, Edward Branding. Pilcuff added that the city code was in violation of state statutes, and that since Matejka had registered in Alton, he need not register in any other Illinois community.

The lawyer went on to say that he had conferred with City Atty. Allen, who had agreed the scope of the city code went beyond the state statute, and that unless the firm was permitted to do business in Granite City there could be a mandamus suit and possibly a damage suit.

The firm has a contract with Jim Green Construction Co. for electrical work at the Sir John Court apartments being erected at the end of Center street, the lawyer stated.

Mayor Partney said many contractors are registering in Alton because there is no requirement for an examination there. He added that the firm should not be allowed to operate here unless the examination is taken and passed.

Answering the mayor, Alderman Nunn said the firm has been hired by a reputable contractor and that the council should conduct a hearing at the next council meeting.

Collide in Madison

Cars driven by Robert Hebbelwhite, 2447a East 24th street, and August Sacadat, 2692 Boyce avenue, were damaged at 5 p.m. Monday in a collision at 1300 Madison avenue in Madison. Police reported Hebbelwhite was heading south and Sacadat was crossing Madison avenue at 13th street when the collision occurred. Hebbelwhite's car was damaged in the left front and Sacadat's in the right front.

Parked Motorbike Hit By Car, Dragged a Block

A parked motorbike was struck and dragged for nearly a block by a hit-run motorist Monday night on Illinois avenue at West 20th street. The motorbike belonged to Donald Simmons of Collinsville.

Police said the motorbike was parked on Illinois avenue when hit by a 1968 two-tone green auto that made a right turn onto West 20th street and dragged the bike for a distance of half a block. Witnesses told police the auto had several rust spots on it.

Independence Day, Bell Ringing is Proclaimed

Quad-City churches and other service of "Bells on Independence Day" be designated for nationwide minute of bell ringing. Fourth of July ceremonies, the Quad-City mayors called upon citizens "to take note of this observance to remind us of our freedom and the high cost of that freedom and supporting our boys in Vietnam."

Religious, civic and patriotic organizations have announced they will once again join in the annual "Bells on Independence Day" celebration.

Autos Collide

Involved in a collision Monday at 27th street and Washington avenue were autos driven by Fred Kudelka, 2549 East 27th street, and James Metcalf, 2740 Washington avenue. Police said Kudelka was going west and Metcalf was traveling south.

Traffic Signal Charges

Two motorists were issued arrest tickets Monday afternoon on charges of disobeying the traffic signal lights at Nameoki and Johnson roads. They were Thelma Siers, 2579 East 27th street, and Beulah Johnson, 2254 Cleveland blvd.

Patriotic Services To Be Held Sunday

First Assembly of God Church will hold its annual Patriotic Night service Sunday evening. The highlight will be patriotic music, and a special narration in tribute to men in various branches of the military services will be given.

The narration was written especially for the program by Gloria Stabish. Soloists with the Sanctuary Choir will include Connie O'Guin, Beverly Vaughn, Don Stover, and Dan Jones. Marian Stover will be the organ accompanist and

pianists are to be Kathy McCalla, Carolyn Jenkins and Margaret Wolverton. Also accompanying the choir are guest musicians, Paula Miltello and Joe Miltello on trumpet and tympani.

First Assembly's ten-voice college career group, The Choralers, are to be featured.

The music department and the evening's program will be directed by Don Stover, minister of music and youth. Rev. J. Boyd Wolverton is pastor of the church.

Granite City PRESS-RECORD
Thurs., June 29, 1967 Page 33

The program will begin at 7:30 and the public is invited to attend.

SOCIETY

VISITING PARENTS

Mr. and Mrs. E. A. Branding, 2444 Cleveland Blvd., have as guests their daughter, Mrs. Jack LaMar, and children, Mark, Cheryl and Cindy of Rhinelander, Wis. Rev. LaMar, pastor of the United Church of Christ in Rhinelander, is spending some time at the United Church of Christ General Synod meeting in Cincinnati, O., but will join his family here later.

RETURN FROM ABROAD

Dr. and Mrs. W. W. Bowers have returned from a three week vacation tour abroad. Their itinerary included Portugal, Paris, Rome, Vienna, Berlin, Copenhagen and brief visits to other places beside the capital cities.

MARRIED RECENTLY. Mr. and Mrs. Edward L. Thomas, who were wed at Bethel Chapel on Dewey avenue. The bride is the former Charlotte May, a daughter of Mr. and Mrs. Kenneth May of Missouri avenue. Mr. Thomas' parents are Mr. and Mrs. Gilbert Thomas, 2035 Bryan avenue.

MISS LYNN SNEED, whose mother, Mrs. Betty Sneed, 1411 Norwood drive, is announcing her engagement to Joseph J. Mangiaracino, 2132 Amos avenue.

October Wedding Is Planned

Announcement is made of the engagement of Miss Lynn Sneed, a daughter of Mrs. Betty Sneed, 1411 Norwood drive, to Joseph J. Mangiaracino, a son of Mr. and Mrs. Joseph Mangiaracino, 2132 Amos avenue.

The bride-to-be was graduated from the Granite City high school in 1966 and is employed at W. T. Grant's store. Her fiancé, also a graduate of the local high school, is employed by the Southern Pacific Railroad, St. Louis. Their wedding will take place Oct. 7 at St. Elizabeth's Catholic Church.

HELP STAMP OUT STRANGERS

None are quite so alone as the stranger in town, or the newcomers to the neighborhood.

Remember your last move...how you felt as the moving van pulled away...how you more than half wished you'd never come?

Spare your new neighbors feelings such as these. Let the Welcome Wagon Hostess bring greetings and gifts to make them feel at home. Help stamp out strangers. Call Welcome Wagon today at TR 7-0556

HERE FROM EAST
Mrs. A. B. Gobble of Meadville, Pa., formerly of Granite City, is here for a visit with Mr. and Mrs. Jesse Tapp, 2515 East 25th street, and other friends in this area.

B&PW Officers Plan Functions

Although the official club season has ended for the Granite City Business and Professional Women's Club, the new officers, headed by Mrs. Mary Batson, president, are busy representing the local membership at functions throughout the district and discussing future events.

A planning conference was held recently in the home of the president when plans were made for the national B&PW convention in New York City in July, at which Mrs. Batson will serve as a delegate. Mrs. Florine Reid will serve as alternate.

Other members planning to attend are Mrs. Ruby Jackson, second vice-president; Mrs. Verne Longuel, a past president, and Mrs. Opal Duval.

Plans were also made for the annual pot luck picnic at Wilson Park Aug. 9 at shelter seven and a tentative club calendar for 1967-68 was drafted.

Special appointments have been announced and draft revisions will be submitted to the board of directors for approval. Mrs. Batson announced the President's Council meeting to be held in the county clerk's office in Edwardsville this evening for the purpose of appointments for the Illinois State convention at a St. Louis Hotel in 1968, and a board of directors meeting at the Elk's Club tentatively scheduled for July 12.

Bone-Bradley Engagement

Announcement has been made of the engagement of Miss Clara Irene Bradley, a daughter of Mr. and Mrs. James A. Bradley of St. Louis, and Clifford E. Bone, whose parents are Mr. and Mrs. Willard Bone of Fredericktown, Mo., former Granite Cityans.

Miss Bradley is a graduate of Ritenour high school in St. Louis. Her fiancé was graduated from the Granite City high school in November. Their wedding is planned by the couple.

Miss Ullrich Arrives Here

Miss Waltraud Ullrich of Schweinfurt, Germany, recently arrived in Granite City to join her fiancé, Arno Cökl, and his family. The latter is the step-son of Army Sgt. Raymond Frazier, 2227 Delmar avenue.

The bride-elect, who has been granted a U. S. permanent residence visa, and her fiancé are planning to be married in the near future. Cökl, also a native of Germany, initially came to this country in 1957.

He returned to Europe with his parents when his step-father was re-assigned there. The family returned to the United States again two years ago. Since that time, Sgt. Frazier has been assigned to duty in Vietnam, where he is currently serving.

Cökl met his future bride in Schweinfurt during the Frazier's last assignment in Germany. He is employed at Drew Foods Co. in St. Louis.

Wedding plans have not been completed at the present time.

BRIDE-TO-BE. Miss Cheryl Lynn Wilson, whose engagement to Robert Dale Smith, a son of Mrs. Virginia Smith of Iberia, Mo., is announced by the parents of the bride-elect, Mr. and Mrs. Norman Burnett, Rural Route One.

Miss Wilson Is Engaged

Mr. and Mrs. Norman Burnett, Rural Route One, are announcing the engagement of their daughter, Miss Cheryl Lynn Wilson, to Robert Dale Smith, a son of Mrs. Virginia Smith of Iberia, Mo.

The bride-to-be is attending high school in Missouri. Her fiancé, a graduate of the Iberia high school, is presently serving with the U. S. Army and recently returned to Fort Bliss, Texas, where he is stationed. Wedding plans have not been made.

Mr. and Mrs. Juanita Williams, Mrs. Alberta Ethington, Mrs. Esther Pateron and an honorary member, William Bratten, golden rodent of Egyptian District 311, Order of Trench Rats.

Eagles Auxiliary Hawaiian Theme

Members of Fraternal Order of Eagles Aerie 1126 Ladies Auxiliary met Tuesday evening at the Eagles hall on Madison avenue. A Hawaiian theme prevailed.

The business meeting was opened by Mrs. Florence Hagauer, president. Reports were given by Mrs. Isabelle Czokovich, secretary, Mrs. Leona Delaloye, treasurer, Mrs. Eldonna Harlan, visiting chairman, and Mrs. Florida Batson, auditor.

A gift was presented to Mrs. Delaloye by Mrs. Margie Hall for the publicity book she made when Mrs. Hall served as president last year.

Mrs. Hall and Mrs. Delaloye were presented with certificates for perfect attendance in the past year by Mrs. Hagauer, and Mrs. Hall was given a plaque and certificate of membership in the Grand Aerie.

Mrs. Fay Briggs received the prize for the evening and Mrs. Hall received the "white elephant."

The Hawaiian theme was used for a social hour following the business session, and the members attending wore Hawaiian-type dresses and leis. Straw baskets of fruit and flowers were used as table centerpieces by the decorations chairman, Mrs. Briggs.

Assisting Mrs. Stella Miller, refreshments chairman, in serving were Mrs. Sylvia Roy, Mrs. Vera, Hornyak, Mrs. Victoria Portelli, Mrs. Lucy Williams and Mrs. Helen Frazier.

Next meeting of the auxiliary will be held July 11.

Hospital Group Adds 5 Members

St. Elizabeth Hospital Auxiliary met Monday evening in the library of the hospital with Mrs. Helen Bergfield, president, in charge.

After silent prayer, Mrs. Bergfield introduced five new members, Mrs. Josephine Reszely, Mrs. Jeanne Dorsch, Mrs. Ann Giese, Mrs. Millie Chomko and Mrs. Mary Kristian.

Sister Mary Thomas, hospital administrator, introduced Jerry Reischneider, the new administrative resident and two girls, Miss Pansy Hubbell and Miss Fran Tilton, who have received nursing scholarships. She also spoke on the changes in the hospital and announced the conclusion of the recent hospital drive. Mrs. Catherine Piel, volunteer director, announced 15 new candy strippers began training Monday.

Thanks were expressed to the women who assisted at the recent chicken and dumpling dinner served in the hospital cafeteria, and refreshments were served to the 30 members attending the meeting.

The evening's prize went to Mrs. Philomena Gruber.

CELEBRATES BIRTHDAY AT FAMILY PARTY

Ralph Miller, 2901 East 25th street, observed his 80th birthday at a party given by his family this week at the Anchorage Recreation Hall.

Present, beside the guest of honor and Mrs. Miller, were Mr. and Mrs. Lester Johannsmeyer, Mr. and Mrs. Kenneth Juncker and son, Dan, sons-in-law and daughters of the Millers and Mr. and Mrs. Richard Brinkman, Mr. and Mrs. Dennis Sturman, Mrs. Brinkhoff and Mrs. Sturman are granddaughters.

Out-of-town guests, nieces and nephews of the honoree, were Mr. and Mrs. John Miller, Mr. and Mrs. James Carter, Mr. and Mrs. John Henry, Mr. and Mrs. Ray Williamson and daughter, Pam, Mr. and Mrs. Max Lipe, Mr. and Mrs. Chester Erickson, Walter Buck and son Charles, and daughter, Mary Jean, all of Murphyboro, Ill., Mr. and Mrs. Harold Henry of East St. Louis, Mr. and Mrs. Homer Lupkey of Herculaneum, Mo., and Mrs. Blanche Scantling, Mrs. Carl Arnold and Mr. and Mrs. Brooks Weir of Granite City.

A son, Ralph Miller Jr., of California, was unable to attend.

Youth Focus

New Enrollments Closed at EU

Eastern Illinois University at Charleston has announced that the acceptance of new applications for admission from prospective freshmen for the fall quarter of 1967 has closed.

All applications now being received are being held by the admissions office in the event that more cancellations are received than now anticipated.

Transfer applications will con-

Additional Youth Focus on Pages 38 & 40

tinued to be accepted for a short period, but President Quincy Doudna said space in upper division courses will soon be exhausted, after which transfer enrollments will no longer be accepted.

President Doudna said the university will continue to accept applications for the winter and spring quarters, 1967-68, and graduate school applications for any quarter.

Outdoor Adventure Luring 50 Troops. Posts to Boy Scout Camp This Year

The "call of the wild," the fun and adventure of the outdoors, Scouts of America, and camping are attracting hundreds of boys manding officer of the Granite City Army Depot.

More than 50 Boy Scout troops, according to Col. and Explorer posts of the council, Charles E. Hoskin III, chairman of the camping committee of the Sunnen in the Ozarks near Potomac, Md., during the season opening this week.

Col. Hoskin commented that "troop camping is the scout way of summer camping. Each Boy Scout troop goes to camp with its own adult leaders and takes over a special site, where each of the patrols lives as an individual unit within the troop area."

"Activities—from the flag ceremony in the morning until 'Taps' at night—include swimming, boating, canoeing, different types of hiking, archery, instruction and practice of scoutcraft and outdoor skills, merit badges, games, rifle shooting, fishing, nature conservation and nature projects," Col. Hoskin said.

"During the six weeks of camping, and the conservation and aquatic camps that follow, scouts and explorers will earn many special awards, including scout leadership, mile swim, and the 50-mile award."

"This award is given to boys who cover a wilderness foot trail or canoe trip in a minimum of five days and complete ten hours of group work to improve the trail, campsite or wilderness area."

15 Adults on Staff
"In addition to the units' own leadership, parents will be glad to know that 15 of the 27 members of the central camp staff are adults."

"These men, Col. Hoskin said, "have been trained at the National Camp School of the Boy Scouts of America and are specially skilled in working with boys and adults."

Redevelopment of the 100,000-foot swimming area and beach, a new central shower and a second walk-in refrigerator are only a few of the improvements boys and leaders will have at camp this summer.

During the past three weeks, the staff, with help from Army training units of the Granite City Army Depot, have drained, cleaned and improved the swimming area.

"In addition, the workers have installed a new walk-in refrigerator."

At the close of each one-week camp period, the scout will participate in a "Friendship campfire," which is also part of the diamond anniversary of world scouting.

High adventure hiking on the Berryman Trail and canoeing on the Current and Meramec Rivers will provide special skills for both scouts and explorers this summer.

The council and the camping committee this year have opened the summer camp to provide an opportunity for non-scouts or scouts in low-income areas to have a one or two-week camping experience in the environment of a scout camp under skilled leadership.

Col. Hoskin said, "This is a part of our plan to make scouting available to all boys. Through this introductory experience in scout camping, we hope to continue and organize these boys into scout troops, where they will have a year-round program."

Aid by Army Reservists
Army Reserve training units visiting the camp helped complete preparations for the 1967 season despite inclement weather and high water in the Ozarks this spring. An Army helicopter transported the men over the 80-mile distance to the camp.

Thirteen reservists were selected on the basis of their military occupational specialty and practiced their specialties while simultaneously aiding the camp staff. Lt. Col. David V. Fox, deputy commander of the Army Depot, was among those coordinating the project.

Participants received certificates of achievement for their efforts from Col. Hoskin in ceremonies at the Depot retreat parade June 23.

First Week in Progress
With Edwin Menke Jr., Unihw (Quad-City) district executive, as camp director, the initial week of the June 25-Aug. 5 season is underway at Camp Sunnen, Cahokia Mound Council Executive Eugene Cox noted.

Quad-Cityans at the camp this week are:

Troop 23—Long Lake volunteer fire department—Van Wharff, Rudy Recer, Dan Kreher, Larry Taylor, Jeff Wainwright, Fred Biggs, John Harper, Mark Recer, Pete Fourcalt, Tony Bennis, Rich Breen and Greg Snider; Leader, Leo Fourcalt.

Troop 15—Granite City Fire Department—Eagles Aerie 1126—Craig Tarpoff, Steve Miller, Steve Hagopian, Danny Modglin, Bill Skirball, Brad Cowan, Monte Lyons, Dennis Orset, Tom Beck, Mike Heath, Mike Cain, Denny Petroff, Charles Barth, Richard Reznack, Victor Reznack, William Laub, Mary Dailey, Tom Earls, John Tarpoff, John Gajich and Mike Brunson; Leaders, Floyd Brunson, Russell Lyons, Earl Wittig, Earl Earls, Andrew Orsey and Bernard Miller.

Wife Fires at Husband, Misses, Takes His Car

An irate wife waited at the entrance to the American Steel Foundries plant Monday night for her husband to report for work, fired two shots at him, then jumped in the automobile he just had parked and drove away with it.

Police said they were informed by the husband that he first saw his wife holding a pistol near the fence at the plant parking lot when he arrived for work about 7:30 p.m. After parking his car he inquired of a guard if he had seen the woman. The husband was informed she was in a rest room at a plant entrance.

The man told police he informed the guard that his wife had a gun. When she came out of the room the guard asked her to open her purse. The purse did not contain a gun. As the husband turned to walk away, he related, she produced the gun from somewhere, remarked: "Here it is," and began shooting.

One of the bullets passed through the inside of his trouser leg, but he was not wounded. The husband walked over to the woman and took the gun from her and turned it over to the guard. The woman then broke away, ran outside, got into the husband's car and drove away. "She must have had a car key I didn't know about," the husband told police, adding that he did not want to file any charges.

Radar Speed Arrest

Robert McCormick, 3132 Aubrey avenue, was issued an arrest ticket on a speeding charge Monday afternoon in the 2500 block of State street where police were operating their radar unit.

Franchise Talks Under Way

City Again Votes Down Zone Change for Water Co. Tank

Without disclosing dollar amounts, Alderman Fry, chairman of the Granite City council's Fire and Water committee, reported Monday night that progress had been made in a meeting with officials of East St. Louis & Interurban Water Co. toward negotiating a franchise.

He joined with Alderman Rutledge in requesting an ordinance be prepared to grant a special zoning use permit to the water company for construction of a \$400,000 water storage tank and pumping station on a 1.6-acre tract adjacent to Tri Mor Bowl. Rutledge stressed the city needs the 2,000,000 gallon storage tank to provide adequate pressure in the rapidly growing Nameless area. "It also would benefit the Pontoon Beach and Mitchell areas, but we must not forget the benefits to our city," he said. The proposal was debated by Alderman Boyd, after Rutledge asked the mayor to advise the water company of the council's action because its option on the ground expires on Friday.

Turn About Fair's Play Fry also voted to have the ordinance brought in at the next meeting, but then next Monday I may vote against it," Boyd remarked.

Alderman Parmley remarked that he was a member of the committee last year when franchise negotiations were resumed.

5-Day Limit to Use Street as Garage

How long can a city street be used as a repair garage? was a question posed at Monday night's council session by Alderman Poulos.

He pointed out that in his Third Ward there are several instances where cars have been jacked up or placed on blocks on the street while the owners make major repairs.

The alderman was advised by Police Chief Veizer that five days is the limit under city ordinance, and that after that period of time the vehicle can be determined as "an abandoned vehicle" and towed away at the owner's expense.

Police Charges Dropped

Charges of intoxication and resisting arrest filed by Granite City police last April against Marion C. Courtney, 19, of 1938 Cleveland blvd., were dismissed at Edwardsville Tuesday when called for hearing before Magistrate Mateosian. No witnesses appeared in the case.

7 Insurance Firm Staffers being Honored

Seven members of the staff of the Granite City office of the Metropolitan Life Insurance Co. are in Miami, Fla., this week for a business conference with officials of the company.

They are Edward Broyles, G. Jack. Kulenkamp, Wayne McIlroy, Robert Scheibel and Victor Szyneck, all of Granite City, Fred Durer of Venice, and Robert Franer of Belleville, who had exceptional sales and service records last year and are among the top ranking agents.

City Plans to Condemn Two Old Structures

Resolutions to declare two dwellings as nuisances and pave the way for condemnation and razing were approved Monday night by Granite City council members.

Premises at a fire damaged house at 1726 Delmar avenue and the property at 2941 Pershing avenue, have been inspected by city officials and declared to be hazardous.

Unless repairs are made in the near future, the city plans to take steps through the courts to have the structures torn down.

Correct Crash Details

A car that spun out of control on rain-slick pavement on McKinley bridge Saturday afternoon and collided with another car was driven by Roy Lee Paige, St. Louis. His car crashed into another driven by Algie Crawford, 639 Meridian street. In an earlier item about the accident it was reported erroneously that Crawford was the driver of the car that went out of control.

Heart Association Honors Miss Hotz

Miss Eulalia Hotz, Madison county clerk, was awarded the Heart Association gold medal for outstanding service to the organization at the annual dinner meeting of the Madison county Monday evening. The presentation was made by W. Kenneth Grubb, field director of Service Area VIII, a nine-county area.

Reviewing the county official's achievements with the Heart Association, Grubb pointed out that county fund-raising drives have realized 25% more money since her appointment as county campaign chairman, a position she still holds. Previously, Miss Hotz served as memorial gifts chairman and a director of the association's county unit.

Wilbur R. L. Trimpe, county school superintendent, and Mrs. Evelyn Bowles, Edwardsville campaign chairman for three years, also received medallions.

The school official has served as treasurer of the Madison county group for the past three years, during which time he instituted a program of investing funds received from campaigns, resulting in returns of more than \$1000 a year in added funds, Grubb noted.

An election of unit officers for 1967-68 was postponed until the September meeting.

Street Supt. Warfield, who earlier in the meeting was authorized by ordinance to supervise the sanitation department which handles insect spraying, refused to permit such use of the street department trucks.

Separate Departments

"These trucks were bought for the street department foremen to use, and we've got business for them. The sanitation department is not in the street department."

Mayor Partney said he would

sign for payment of the truck if there was no budget, since the city could not legally spend unbudgeted money.

Alderman Robertson, a member of the Sanitation Committee, challenged the mayor's stand. "Can I take it, mayor, that you don't want the city to be sprayed for insects?"

The mayor replied that he wanted insect spraying as much as anyone else, but that he could not legally sign for the payment. "I suggest that to get the machine in operation that we use a street department pickup truck," he added.

The mayor was advised that it had been determined last week that a half-ton pickup truck would not carry the heavier new unit and two drums of spray.

Jeeps Warn Out

Alderman Dallas, chairman of the Sanitation committee, said he had been told that both jeeps in the sanitation department were nearly worn out. At least one has been in operation, but it is believed the new machine can do twice the work of one of the older machines, Dallas pointed

The mayor was advised that it had been determined last week that a half-ton pickup truck would not carry the heavier new unit and two drums of spray.

Jeeps Warn Out

Alderman Dallas, chairman of the Sanitation committee, said he had been told that both jeeps in the sanitation department were nearly worn out. At least one has been in operation, but it is believed the new machine can do twice the work of one of the older machines, Dallas pointed

out.

Following the protests by Warfield on the suggested use of a street department pickup truck, Alderman Green took the floor. "Why are you always picking on the street superintendent? It's not fair. He's doing a good job, and I'll back him all the way. We should cut this off and stay away from personalities."

His remarks ended the debate. The council voted approval of the purchase of the three-quarter ton truck, with only Rutledge and Jarrett dissenting.

When Partney again remarked the item needed to be in the budget, Robertson replied, "I assume you plan to stop the purchase. If you stop this program, that's your business."

Pay Scale Boost

Earlier in the meeting, the council approved an ordinance increasing the pay scale of the two part-time sanitation department employees to the \$3.36 an hour paid to street workers.

Street Supt. Warfield had requested the increase so he could assign regular street worker to insect spraying and weed cutting

Jeeps Warn Out

Alderman Dallas, chairman of the Sanitation committee, said he had been told that both jeeps in the sanitation department were nearly worn out. At least one has been in operation, but it is believed the new machine can do twice the work of one of the older machines, Dallas pointed

out.

Following the protests by Warfield on the suggested use of a street department pickup truck, Alderman Green took the floor. "Why are you always picking on the street superintendent? It's not fair. He's doing a good job, and I'll back him all the way. We should cut this off and stay away from personalities."

His remarks ended the debate. The council voted approval of the purchase of the three-quarter ton truck, with only Rutledge and Jarrett dissenting.

When Partney again remarked the item needed to be in the budget, Robertson replied, "I assume you plan to stop the purchase. If you stop this program, that's your business."

Pay Scale Boost

Earlier in the meeting, the council approved an ordinance increasing the pay scale of the two part-time sanitation department employees to the \$3.36 an hour paid to street workers.

Street Supt. Warfield had requested the increase so he could assign regular street worker to insect spraying and weed cutting

tasks, if necessary, and they wouldn't have to take lower pay.

With the street superintendent taking over the sanitation department responsibilities of weed cutting, the mayor asked if he was to get all requests for weed cutting that normally go to the inspection department.

Weed Cutting Decision

It was decided the inspectors would handle the contract weed cutting, and the street superintendent would handle the cutting on city property. Each year the city contracts for cutting weeds on neglected lots and then bills the property owners. The rate of return to the city has been low in past years.

In their sanitation committee business, Dallas called for purchase of a new lawn mower to be used at the animal shelter building.

Mayor Partney recommended use of the city hall mower and the two Neighborhood Youth Corps who are being paid \$1.25 an hour by the federal government to work for the city on jobs that do not interfere with regular city employees' work.

Churches to Observe

Day of Preparation

Rev. Alfred Buis, pastor of Hope Lutheran Church, announced today that Sunday, July 2, has been designated as a "Day of Preparation" by Dr. Oliver R. Harms, president of the Lutheran Church - Missouri Synod.

The day will be observed by all churches in the Missouri Synod, including three local churches, Hope, Concordia and St. John.

Funeral services were held today for Mrs. Dorothy Ann Amundson of Superior, Wis., in December 1965.

Besides the local hospital executive, Mrs. Pinney is survived by another son, Niles V. Pinney, Jr., of Saratoga, Calif.; two daughters, Mrs. Ralph (Mary) Elliott of Granite City and Mrs. Gene (Margaret) Nelson of University City, Mo.; and 14 grandchildren.

Arrangements are given in today's obituary column.

Easter Seal Camp For Children Ends

The Easter Seal Day Camp at Monticello College, Godfrey, attended by a number of local children ended with a ceremony awarding each child with a Camper Diploma. It was announced today by Miss Marie Roup of Alton, executive director of the society.

Parents attended the program and took home children carrying ceramics, nature projects, towels, swim suits and mementos of camp.

A circus skit given by the campers was supervised by Mrs. Lynn Almeter and Mrs. Diane Shelton of the children's theater group. The skit was a creative dramatics daily during camp.

Recognition was given to volunteers who helped make possible

and Miss Carole Lee James, newly named, elementary.

After school recreational activities were held at elementary schools are Al Lewis Jr., Emerson; Miss Phyllis Smith, Frohman; Norman Grota, Logan; Miss Joanne Higgins, McKinley; Miss Jean Worrell, Marshall; Miss Margaret Roberts, Maryville; David Beiser Jr., Mitchell; Miss Eugenie Whetzel, Nameok; Mrs. Patricia Macey, Niedringhaus; Miss Anna Johnson, Stallings; William Koeky, Washington; Roger Smith, Wilson; and Miss Leigh Heller, Parkview.

The Lake school recreational supervisor is to be named.

Counseling, Music, Recreation

Counselors are Henry Beiser, Lewis Hatfield, William Cravens, Elmer Jackson, Roy McKinney, Miss Selma Nelson, Mrs. Frances Stat

2 GCHS Cheerleaders Train at ISU School

Two cheerleaders from Granite City high school have returned from a week of work and study at the 14th annual summer cheerleading school, at Illinois State University, Normal. They are Donna Ferro, daughter of Mr. and Mrs. Peter Ferro, Rural Route One, and Dena Takmajian, daughter of Mrs. Helen Takmajian, 1740 Olive street. Both girls are seniors and were cheerleaders for the 1966-67 season and will be leading cheers for the 1967 football season.

SIU Archaeologist On Jaunt to Mexico

Robert L. Rands, Southern Illinois University archaeologist and Museum specialist on Mayan culture, is enroute to Mexico City for six months' work making laboratory analyses of ceramic artifacts from Mayan ruins. Rands has made five expeditions to the temple city of Palenque and other ceremonial centers, in association with the Mexican Institute of Anthropology and History. When he arrived at SIU last fall he had a quantity of the archaeological specimens with him on loan from the Mexican Institute but the bulk of the material remains in Mexico City. He was accompanied by his wife, Barbara, also an archaeologist, who will assist him in his research. He also will have a number of other assistants. Rands holds a \$39,400 two-year grant from the National Science Foundation for his research on "Mayan Ecology and Trade."

May Put Office at SIU-SW

Universities Given Grant To Aid Needy Students

A search for talented but out-of-school youths in the rural areas of downstate Illinois has been launched by Southern Illinois University-Carbondale campus and 12 other Illinois colleges.

The project has received a \$50,000 grant from the U. S. Office of Education and the talent search will get under way immediately, according to coordinator Leslie Chamberlin, admissions director at SIU.

The objective will be to seek out persons who wanted to go to college but didn't and then to help them fulfill those ambitions. Chamberlin said the focus will be on "exceptionally needy and educationally capable" youth in some cases they will have dropped out of school before getting high school diplomas.

Chamberlin couldn't estimate how much out-of-school college material exists in the 50 southernmost Illinois counties to be covered in the project. But a 1965 survey showed that only 42% of the high school students in six representative counties planned to go to college.

A Talent Search Center will be set up and the SIU Data Processing and Computing Center will amass electronic information for the effort. A full-time supervisor will be hired, with an office probably to be located on the SIU-Southwestern campus.

Information gained in the Talent Search will be made available to high schools in an attempt to stem drop-outs. The federal grant will carry the project for its pilot year and Chamberlin said additional funding will be sought beyond that time to make it a continuing effort.

Other schools involved, and represented by their admissions officers under a project group

called the Southern Illinois Area Colleges Advisory Council, are: Blackburn College, Kaskaskia Junior College, Illinois College, MacMurray College, McKendree College, Millikan University, Monticello College, Mt. Vernon Community College, Olney Community College, Wabash Valley College, Principia College and Quincy College.

Marine Herman Smith Jr. With Fighter Squadron

Marion Lance Corp. Herman Smith Jr., son of Mr. and Mrs. Herman Smith sr., of 201 Terry street, Madison, is serving with the Marine Fighter-Attack Squadron (VMFA-513) in Cherry Point, N. C.

This squadron's primary mission is to destroy enemy aircraft and missiles, attack surface targets, escort helicopters and perform various other air operations. During the squadron's recent duty at the Marine Corps Air Station, Yuma, Arizona, VMFA-513 set a new record by flying more hours in a single month than any other Marine squadron.

Enrollment Deadline Friday For Jr. College Summer Plan

Tonight and tomorrow will be the last chances for registering for Belleville Junior College's eight-week summer session of day and evening classes, running from July 5 through Aug. 29. Registration will be held from 7 to 9 tonight and from 8 a.m. to 3 p.m. and 7 to 9 p.m. tomorrow in the cafeteria building of BYHS East. All classes will take place on the Junior College part of the East Campus located on West Boulevard.

Out-of-district students will pay a tuition fee of \$5 per semester hour of credit taken, and, in addition, will need a letter of authorization from their high school districts stating the balance of the student's tuition costs. If at the time of registration the out-of-district student does not have this authorization, the charge-back cost will be levied against the student in the amount of \$3.50 per semester hour. Out-of-district students will also be charged a \$10 registration fee, plus lab fees, books and supplies.

A \$5 late registration fee will be charged after June 30, and no registration will be accepted after the second meeting of the classes.

Among the 90 courses listed on the schedule are—art, aviation ground training, biological science, business, chemistry, education, English, French, Health, history, mathematics, music, nursing, physics, political science, psychology, Spanish, speech, sociology and surveying.

Two Granite City high school band students are recipients of two-week scholarships to the summer music band camp to be held at the University of Illinois. It was announced this week by Louis Meek, director.

They are Kenneth Boone, tuba player, son of Mr. and Mrs. Harvey Boone, 3144 Jull avenue, and Nancy Hanks, bassoonist, daughter of Mr. and Mrs. Charles Hanks, 2529 Stratford lane.

The scholarships were awarded by the Namecki Women's Club of which Mrs. Bernadine Cooley is president.

SUMMER MUSIC CAMP scholarship winners at Granite City high school are Kenneth Boone (tuba) and Nancy Hanks (bassoon).

They are Kenneth Boone, tuba player, son of Mr. and Mrs. Harvey Boone, 3144 Jull avenue, and Nancy Hanks, bassoonist, daughter of Mr. and Mrs. Charles Hanks, 2529 Stratford lane.

The scholarships were awarded by the Namecki Women's Club of which Mrs. Bernadine Cooley is president.

14 Motorists Ticketed On Traffic Charges

Fourteen motorists were issued arrest tickets Tuesday and early Wednesday morning on traffic charges—12 of them for speeding, in radar drives conducted by Granite City police.

Roy E. Brammell, 2149 Grand avenue, was issued a ticket at 2300 Madison avenue yesterday morning on a charge of failure to yield right-of-way and hearing was set for July 14. Carl W. Hill, Bethalto, was arrested at 3:25 a.m. yesterday at Niedringhaus and Madison avenues for disobeying the traffic signal. Hearing is set July 11.

Other traffic arrests, all on speeding charges, were:

Jesse P. Wise, 2341 Orville street; Thomas W. Gerding, St. Louis; Robert S. Keel, 2622 Logan street; Martha Scott, 4030 Kirkpatrick homes; John L. Wheeler, 3028 Sunbury avenue; Orvil R. Abel, 4115 Breckenridge avenue; Lola M. Baker of 32 Gruenzer homes, Madison.

Emmett L. Porter, Alton; Robert L. Williams, 2008 Angela drive; William F. Minks, 546 Pine street; Phillip W. Morris, 4652 Maryville road, and Georgia J. Tallman, 5137 Old Alton road.

Wheel Tax Arrests at Venice Start July 11

Venice motorists who do not display wheel tax tags on their windshields after July 10 will face arrest and fines of \$25, Venice police officials warned today.

Authorities said a total of 818 city car tags and 165 delivery truck stickers had been purchased from the comptroller's office as of yesterday morning. Venice usually sells an average of 1300 car stickers and 200 delivery truck tags.

Police said an earlier deadline of July 1 has been extended to give Venice residents ample time to obtain the stickers and that arrests will begin after the July 10 deadline.

GC Airman Far from Home Wins Friends to Write

Roger W. MacZura, 29, son of Mr. and Mrs. Warren MacZura, 3208 Aubrey avenue, arrived Tuesday at Moffett Field, Calif., where he will train for eight weeks to become a naval aviation machinist.

Airman MacZura, who was graduated in June from the Naval Air Station school in Memphis, would like to hear from his friends. His address is Roger W. MacZura, A.D.J., Airman, Patrol Squad-31 F.R.P., Naval Air Station, Moffett Field, Calif.

Man Cut on Face, Hand

John Hutson, 2912 Sunset drive, was taken to McMillan Hospital, St. Louis, at 9:15 p.m. Tuesday for treatment of face and hand cuts received when a firecracker exploded in a metal vacuum pipe at Tru M. Bowl. Police reported Hutson placed the firecracker in the pipe and failed to move away quickly enough.

The pipe split open when the firecracker exploded, officers said. Hutson received a cut over his right eye and a cut to his right index finger.

Man Cut in Venice

George Sherrod, 1212 Calhoun street, Venice, was treated at St. Elizabeth Hospital at 3 p.m. Tuesday for a knife wound to the upper left arm. Venice police said Sherrod was stabbed in the arm by his wife, Carroll Ann Sherrod during an argument. No charges were filed.

Laser Beam Next Step in Communications Research

Use of the laser beam to eject millions of messages at one time on the same frequency will be the next major development in the field of communications in the not-too-distant future, Roy Wickerham of Southwestern Bell Telephone Company's science laboratory told a noon luncheon meeting of the Rotary Club in the YMCA Tuesday.

Wickerham, whose appearance was arranged at the meeting by Daniel Howe, program chairman for the week, was introduced by Roger Ward, manager of the local Southwestern Bell office.

The speaker described the development of microwaves from the period of world war II, when microwaves were confined strictly to military use, through subsequent years when they were turned to commercial use and, consequently, widespread development through research.

At the beginning, Wickerham related, microwaves were used in the direct line of sight, relayed via towers at a maximum of 30 miles apart. As time went on it was learned microwaves could be "bent around corners," and could be "bounced."

The knowledge of bouncing properties led to development of the Teletar satellite. Later research proved one wave could be placed on top of another on the same frequency.

Turn to Laser Beam

Now, Wickerham said, the known potential use of microwaves has about reached its maximum and researchers are turning to the laser beam as the newest development which, it is believed, eventually will permit the sending of "millions of messages" along the same frequency now handling 600 or more.

William Hoebeck, former Granite City insurance agent and

now a resident of Florida, was a guest at the meeting, attended by about 50 club members.

The club voted to place a float in the parade that will be part of the observance of the 25th anniversary of the Granite City Army Depot, and agreed to back the campaign of Edw. Meng for governor of district 946 of Rotary in 1969. Meng is scheduled to become district governor-elect next year.

Tentative plans also were discussed for a trip by the club to the Cardinal ball game on Aug. 11, and arrangements for which can be made by club members with James Louis.

GC Oks 41 Street Lights —31 to be in Alleys

"It looks like we're going to have white ways in the alleys," Alderman Bartosiek commented Monday night after the council had approved installation of 41 street lights, including 31 in alleys.

With the remark, Alderman Basarich, chairman of the Light committee, called upon Police Chief Veiser and asked if lights in alleys were not beneficial to the department.

"They definitely are helpful for patrols," the chief said.

Lights are to be placed in alleys at the rear of the following addresses:

At 2914 Denver, 2913 Denver, 2230 Nevada, 2211 Nevada, 2111 Roosevelt, 2227 Bryan, 2215 Nevada, 1728 Walnut, 1724 Olive, 1638 Olive, 1637 Olive, 1619 Maple, 1730 Maple, 1729 Maple, 1727 Poplar, 1629 Poplar.
At 1427 Iowa, 2532 State, 1722 Grand, 1716 State, 1424 Grand, 1418 Iowa, 2599 Waterman, 2523 Sheridan, 2515 Delmar, 2063 East 20th, 1728 Ferguson, 2645 East

Fine Includes Cost Of Jail Cell Repair

Larry Williams, 19, of 163 Lee Wright Homes, Venice, was fined \$40, assessed \$10 in court costs and ordered to pay \$20 for repairs to a wash basin in the Venice city jail, when arraigned in magistrate's court Monday afternoon.

Williams, arrested early last Saturday at the Robin Nest tavern in Venice after he created a disturbance, was placed in the city jail where he later broke the wash basin and a water connection, flooding the jail cells. He was fined \$20 and \$5 costs on a charge of destruction of city property, a like amount on a disorderly conduct charge and assessed the \$20 repair charge for a total of \$70. Williams paid the amount.

More Street Projects Proposed by Council

A bid call for improvement of Michigan avenue between Benton street and Troy avenue was approved Monday night by Granite City council members, acting on a request by Alderman Robert

Roberts. The cost estimate is \$22,200.

The alderman noted, after the priority of the street was questioned relative to its standing on the city's motor fuel tax project listing, that it had been higher than one approved last week for bid call for improvement of sections of Garfield, Cottage, Lindell and Clark avenues off Nomeki road.

Alderman Fry requested that new copies be made of the city's MPT priority list and supplied to the council. "A number of projects have been carried out under the special improvement program, and I'm sure the list needs revising," he added.

Parmley Pinch Hits Alderman Parmley submitted the Street committee report during the meeting, as the chairman, Alderman Johnson, is vacationing.

He called for "Children at Play" signs to be erected immediately along Birch avenue where a small child was killed Sunday when hit by a car. The signs are to be put up at the Elm and Willow avenue intersections. "The mayor and I met with the people of the neighborhood earlier today, and the signs were requested," he explained.

Other sign requests included a stop sign on Benton street at 27th street and for removal of no-parking signs in the 1500 block

of St. Clair avenue. Ordinances are to be prepared.

Street Requests Requests for street improvements were made to the committee, with the city engineer asked to prepare cost estimates.

Morrien requested curb and gutters and asphalt roadways for Edna street between East 23rd street and Edwardsville road, two blocks of Meridian street, one block of 13th street and one block of 12th street. He was advised that lack of drainage on Edna street should be solved with the installation of a storm water line under the \$34,000 sewer program.

Namooki Rd. Sidewalks State highway officials are meeting again this week with city officers to determine the responsibility for added sidewalk replacement along Namooki road north of Madison avenue. Drainage of the newly-resurfaced roadway also is to be discussed.

A meeting is to be arranged with Namooki township officials to discuss sharing the cost of a drainage line off Namooki road at Bremen avenue. The overall project, to be carried out by the state, is \$38,000, and the city's share would be \$15,000 for a larger trunk line. Since part of the line will benefit residents of Namooki township, the township is to be asked to pay part of the added \$15,000.

A bid from Thomas Skerle for construction of new sidewalk and for curb and gutter replacement and new installation was approved. His bids were \$342 a lineal foot for curb and gutter replacement, 67 cents a square foot for sidewalk replacement and 64 cents a square foot for new sidewalk installation.

Mayor Cautions County Mayor Partney cautioned aldermen not to authorize any

Education Materials Exhibit at SIU-SW

Public school personnel, students and the public will bet a chance to view the latest in educational aids Thursday and Friday, July 6-7, at the first Annual Educational Materials Exhibit to be held by Southern Illinois University-Southwestern campus.

Sponsored by SIU's extension services and the Illinois Bookmen's Association, the event will feature the educational ware of 45 firms along with their representatives who will explain the products.

Instructional items to be shown are textbooks, standardized tests, teaching machines and visual and audio aids such as films, slides, maps, charts and globes. Display hours will be 8:30 a.m. to noon and 1 to 4 p.m. July 6 and 8:30 a.m. to noon July 7.

WILSON PARK ESTATES Individually styled homes at subdivision prices.

Break-In at Church

A break-in at the Mt. Zion General Baptist Church, 21st and Benton streets, was reported to police on Monday. Desks and cabinets throughout the building were ransacked, and listed as missing was a box containing packages of soft drink mix and a plastic clothes basket.

State Government Lists 1000 Job Openings

Miss Maude Myers, director of the Illinois State Department of Personnel, this week announced the start of a special recruitment drive to fill existing vacancies in all counties in Illinois, including Madison county.

Positions with the state government currently open in Madison county and the monthly minimum and maximum salary range are listed as: dietary worker, \$232-\$415; employment counselor I, \$330-\$477; laboratory technician II, \$430-\$530; medical x-ray technician I, \$425-\$535; nurse I, \$490-\$642; security officers I, \$374-\$524; and special educator I, \$581-\$815.

In announcing the openings, Miss Myers said many state government employees will receive significant upward adjustments

Granite City PRESS-RECORD
Thurs., June 29, 1967 Page 41

in their salary ranges, effective Saturday, as a result of a new Department of Personnel Pay Plan.

Complete listings of over 1000 present job openings, their salary ranges and locations, have been released on a statewide basis, the director said. She noted the positions are covered by the State Merit System.

Interested applicants may contact Robert P. Gonnell, Recruitment Supervisor, Department of Personnel, 508 Centennial Building, Springfield, Ill., for additional information.

Can You Match These Mothers and Daughters?*

Mother-daughter and father-son combinations aren't unusual at Southwestern Bell.

There are many reasons for this happy state of affairs. For one thing, ours is a good company to work for. For another, we offer a real opportunity for serving the public, an opportunity that calls for a true "spirit of service." We're pleased and proud

so many of our Missouri and Illinois employees suggest a telephone career to their children. By doing so, they help insure the business will be in good hands for many years to come. We think this is a good thing for Southwestern Bell and for our customers.

Right Turn on Red Law Fails to Get Enough Support

An ordinance to permit right turns on red signal lights at the Nameoki-Johnson road intersection failed to get a sufficient vote for passage Monday night even though it was first believed the 87 vote had given approval.

A point of order for a legal opinion was requested by Alderman Fry, and City Atty. Alden stated a majority of elected aldermen was needed—a vote of 5 Mayor Parnley added a "no" vote, the tie vote. "Now you'll have to wait for Alderman Johnson to get back from vacation to get it passed," the mayor remarked.

As the roll call was being taken, Alderman Parnley, who had requested the ordinance be prepared, had commented that he would be glad to put in an "aye" vote for Johnson.

The right turn on a red signal light after a stop also was opposed by Police Chief Vetter, who stressed the added danger to traffic moving on the green light and to pedestrians.

"There's no sidewalk to the shopping center on the west side of Nameoki road," Parnley said, adding that there is sufficient space for the right turn lane at the intersection.

At present, right turns are permitted on a red light after a stop only at the 20th street and Edwardsville road T-intersection, but it was noted there is little pedestrian movement there.

With the law, it was pointed out that it would be necessary for a patrolman to be assigned to Nameoki-Johnson road to make certain that autos making right turns on red lights "would not glide through without a stop."

Voting for the ordinance were Dallas, Green, Nann, Fry, Parnley, Jarrett, Robertson and Davies. Opposing votes were by Moerlein, Bartosik, Whitmer, Boyd, Paulus, Rutledge and Basarich.

\$188,200 for '66-67 GC Pupil Transportation

Transportation costs in the Granite City school district during the 1966-67 year totaled \$188,200, it was noted Monday night as the school board prepared to complete district financial transactions for the fiscal year ending tomorrow.

Pupils were transported on 177 days, with costs averaging \$1063 a day.

A monthly breakdown lists \$1365 for one school day in August 1966, \$21,190 for 21 days in September, \$19,706 for 19 days in October, \$18,569 for 18 days in November, \$17,010 for 16 days in December 1966, \$22,773 for 21 days in January 1967, \$20,884 for 20 days in February, \$20,072 for 19 days in March, \$21,510 for 19 days in April, \$24,140 for 22 days in May and \$1025 for one day in June.

Largest costs during the year just ended were \$67,804 for elementary schools, \$55,404 for high schools and \$41,499 for Granite City high school transportation.

Special Education, Athletics
Other expenditures were \$11,866 for educable and trainable mentally handicapped, \$3679 for special education, \$631 for GCIS special transportation, \$468 for junior high special, \$1048 for elementary special, \$4022 for GCIS athletics and \$2754 for junior high athletics.

No transfer of appropriated funds will be necessary, Comptroller Victor G. Anderson reported.

An increased levy for transportation — replacing dual education and transportation levies for that purpose previously — was established for this year's tax collection and will be available under the accrual accounting system.

Since taxes will not actually be received prior to the end of this month, a cash transfer from the building fund is planned for the transportation fund and then will be returned.

\$36,085 Transferred
In other action related to the close of the fiscal year, the board adopted a resolution transferring 15 sums totaling \$36,085.

Largest transfer was \$23,000 from the educational contingency fund to the educational account for reimbursed adult education, materials and supplies. Most of this transfer was for Granite City Steel Institute computer equipment purchased and paid for by the firm and installed at Granite City Steel Co.

The sum of \$14,500 was transferred from the educational contingency fund to the utilities account to meet sewage treatment fees and other costs.

"Contingency funds totaling \$17,000 in the education fund, \$20,000 in the building fund and \$4000 in the transportation fund were established as part of the 1966-67 budget to provide for unforeseen emergencies during the course of the year," Anderson noted.

"Exact amounts of necessary transfers, approved by the board at the end of the fiscal year, are determined after completion of the last bill list."

Approve \$75,000 in Bills
Regular bills paid amounted to \$29,548 in the education fund, \$10,689 for federal projects, \$8203 building fund and \$27,186 transportation. The board also approved a supplemental bill list totaling \$3265 for education, \$42 for federal projects and \$1255 for building.

With the close of the year, the board authorized an annual claim for state reimbursement of pupil transportation. Net operating cost was \$165,589, and the claim is for \$61,553.

Enrollment on the last day of the spring term was 15,617, and 4732 pupils (4712 public and 20 non-public) were transported.

2½ Million State Aid
The original 1966-67 state aid claim of \$2,528,498 was adjusted to \$2,449,475, Supp. Bob J. Davis said.

The final claim is determined by the best six months for attendance, which were September through January, plus April.

The board voted to re-establish for the year beginning July 1 revolving funds totaling \$5025, including \$25 for each of 15 grade schools, \$150 for Central junior high, \$250 for each of the Coolidge and "Prater" junior high schools, \$300 for GCIS and \$300 for the school administrative office.

The figures are the same as those created for the 1966-67 year; state law requires that such funds be deposited to the school treasurer by June 30.

"The revolving funds are used for emergency expenditures and for expenditures where an immediate cash outlay is required, such as travel expense for athletic teams," Comptroller Anderson said. "The funds are reimbursed monthly, at the time of reimbursement, all expenditures are shown on a regularly presented bill list for board approval."

All proceeds from the sales will be diverted to support Sequenctennial projects and activities in Madison county.

Medals Commemorate Illinois' 150th Year

Granite City Trust and Savings Bank is selling medallions commemorating Illinois' 150th year as a state, Ernest A. Karandjeff, bank president, announced today.

The silver dollar-sized pieces have been issued in two metals, solid silver and nickel-bronze. Each silver piece is numbered on the edge and enclosed in a plastic holder. They sell for \$7.50 each, while the bronze pieces sell for \$1.

All proceeds from the sales will be diverted to support Sequenctennial projects and activities in Madison county.

383 Webster and 5317 Wilson school.
GCIS activity funds totaled \$28,847 in 57 accounts on May 31.

— GO TO CHURCH SUNDAY —

Daughter Born To Former Resident

Mr. and Mrs. Matthew F. Mayer, 123 Stonleigh Towers, Olivette, Mo., are announcing the birth of a daughter June 22 at St. Louis Maternity Hospital. The new arrival, Tomea Christine, has a brother, Matthew

Kirchoff Mayer, 3½ years old. Mrs. Mayer is the former Victoria Kirchoff, a daughter of Mrs. John Kirchoff, 48 Janday lane. The paternal grandmother is Mrs. Matthew Mayer of St. Louis.
